#### HOLDING COMPANY ACT RELEASE

<u>COLUMBIA GAS SEEKS ORDER</u>. The SEC has issued an order under the Holding Company Act (Release 35-16966) giving interested persons until February 2 to request a hearing upon a proposal of The Columbia Gas System, Inc., <u>Wilmington, Del</u>., holding company, to realign certain of its subsidiaries. More particularly, it is proposed that Atlantic Seaboard Corporation, United Fuel Gas Company, Cumberland and Allegheny Gas Company, The Manufacturers Light and Heat Company, Home Gas Company, Kentucky Gas Transmission Corporation, and The Ohio Fuel Gas Company be merged with and into a single company, namely, Columbia Gas Transmission Corporation. The latter, which will continue as a wholly-owned subsidiary of Columbia Gas System, will engage in the production, purchase, storage, transportation and sale of natural gas at wholesale in Kentucky, Maryland, New York, Ohio, Pennsylvania, Virginia and West Virginia; it will purchase natural gas in Louisiana, to be transported by Columbia Gulf Transmission Company, an affiliate of United Fuel Gas. The merger will place into a single company operating properties with a total net original cost of about \$700 million. It is represented that the management and operation of these properties by the merged company will serve to further coordinate rate, legal, operating, planning and treasury functions, simplify the administrative, accounting and operating functions, reduce the number of reports filed with governmental agencies, and eliminate duplicative efforts.

#### COURT ENFORCEMENT ACTION

ISRAELI PUBLISHING INST., OTHERS ENJOINED. The SEC New York Regional Office announced on December 15 (LR-4870) that the Federal court in New York had entered a default judgment of permanent injunction against the Israeli Publishing Institute Jerusalem B.M., Israeli Publishing Institute U.S., Ltd., their president, Ory N. Mazar, and their subsidiaries, Allied Publishers, Inc., Unibook, Inc., and Educational Publishing Institute, Inc., enjoining them from violating the registration and anti-fraud provisions of the Federal securities laws in the sale of securities of the defendant corporations.

#### SECURITIES ACT REGISTRATIONS

<u>MULTIVEST REAL ESTATE PROPOSES OFFERING</u>. MultiVest Real Estate, Inc. (the "general partner"), a subsidiary of MultiVest, Inc., 26300 Telegraph Rd., <u>Southfield, Mich.</u> 48075, filed a registration statement (File 2-39197) with the SEC on January 11 seeking registration of 2,000 limited partnership units in a partnership to be formed for the purpose of investing in improved and unimproved real estate, to be offered for public sale at \$2,500 per unit. The offering is to be made on a best efforts basis by MultiVest Securities, Inc. ("distributor"), a subsidiary of MultiVest, Inc., which will receive a \$212.50 per unit selling commission; selected NASD dealers may also participate in the offering. Gerson Geltner and Erwin I. Gold, the individual general partners, through their ownership of MultiVest, Inc., own 14.5% and 19%, respectively, of the Class A common stock of MultiVest Real Estate. Melvyn M. Rom is president of MultiVest Real Estate.

CONTINENTAL RECREATION TO SELL STOCK. Continental Recreation Corporation, P.O. Box 1083, 216 E. Fifth, Storm Lake, Iowa 50588, filed a registration statement (File 2-39199) with the SEC on January 11 seeking registration of 625,000 shares of common stock, to be offered for public sale at \$2 per share. The offering is to be made by company officials and selected salesmen or broker-dealers, who will receive a 10% selling commission.

Organized in October 1970, the company proposes to engage in the development of camping resorts in and around recreation areas for the traveling and vactioning public. Net proceeds of its stock sale plus \$133,000 invested by the organizers of the company will be used for investment in the proposed business operations. The company has outstanding 148,000 common shares (with an 85c per share net tangible book value), of which management officials as a group own 33,000 shares and Fedinco, Inc. (an organizer of the company, of which four company officials are also officers or directors and together own 9% of Fedinco's outstanding common stock) owns 100,000 shares. Purchasers of the shares being registered will acquire an 81% stock interest in the company for their investment of \$1,250,000 (they will sustain an immediate dilution of 38% in per share book value from the offering price); present shareholders will then own 19%, for which they paid \$133,000.

ASSOCIATED DRY GOODS TO SELL DEBENTURES. Associated Dry Goods Corporation, 417 Fifth Ave., New York 10016, filed a registration statement (File 2-39200) with the SEC on January 12 seeking registration of \$50,000,000 of sinking fund debentures, due 1996, to be offered for public sale through underwriters headed by Lehman Brothers Inc., 1 William St., and Goldman Sachs & Co., 55 Broad St., both of New York. The interest rate, offering price and underwriting terms are to be supplied by amendment. ----- 3

A department store organization, the company operates 15 main stores and 64 branch stores. Part of the net proceeds of its debenture sale will be used to prepay \$30,000,000 bank loans due August 15, 1973, and the balance will be used for general corporate purposes. In addition to indebtedness, the company has outstanding 12,062,212 common shares.
