FOR RELEASE July 26, 1971

COMMISSION ANNOUNCEMENT

SEC CITES WHITE & CO., INC. The Commission has ordered administrative proceedings against White & Company, Inc., a brokerage firm of St. Louis, Edward A. White, president, White Capital Corporation, and Ivan A. Erzine, of New York. The Commission also ordered interlocutory administrative proceedings against the firm to determine whether, pending final determination of the issues alleged in the order for proceedings, it is necessary or appropriate in the public interest and for the protection of investors to suspend the broker-dealer registration of the firm. The proceedings are based on staff allegations that the aforementioned respondents were in violation of net capital rules, and effected numerous transactions in securities in violation of the fraud provisions of the securities acts, and that the firm failed to file required financial statements.

A public hearing will be scheduled by further order to afford respondents an opportunity to refute the staff's allegations and to establish any defenses, and to determine, what, if any, remedial action is appropriate in the public interest.

DECISION IN ADMINISTRATIVE PROCEEDING

FLORIO SANCTIONED. The SEC has issued an order censuring and barring Michael P. Florio, of New York City, from managing or supervising the operations of a broker-dealer without prior Commission approval. According to the Commission's decision, Florio failed reasonably to supervise persons under his supervision with a view to preventing violations of the record-keeping and financial reporting requirements of Section 17(a) of the Securities Exchange Act and Rules 17a-3 and 17a-5 thereunder. Florio submitted an offer of settlement and, solely for the purpose of settlement of this proceeding, and without admitting or denying the substantive allegations, consented to a finding of failure of supervision and to the imposition of the sanctions.
