LIBRARY

SUSPENSION OF REGULATION A EXEMPTION OF DATE-A-SUPERGIRL, INC. MADE PERMANENT

An order of October 2, 1973, temporarily suspending the Regulation A exemption from registration under the Securities Act of 1933 with respect to a public offering of stock of Date-A-Supergirl, Inc., a Florida corporation, has become permanent.

Under a notification filed on October 10, 1972, Date-A-Supergirl was to offer 50,000 shares of common stock at \$.50 per share. According to the order, the Commission has reason to believe that: (a) the notification and offering circular contained untrue statements of material facts and omitted to state material facts necessary to make the statements made not misleading, particularly with respect to the fact that the notification and offering circular failed to adequately disclose securities sold or to be sold to the underwriter, and that the lump-sum payment due in the sale of its first and only franchise was extended over a three-year period; (b) the terms and conditions of Regulation A have not been met in that the notification did not adequately disclose the jurisdictions in which the securities were to be offered and Date-A-Supergirl failed to include financial statements of the predecessor partnership as required by paragraph 11 of Schedule I; (c) Date-A-Supergirl failed to cooperate in that it did not respond to the staff's comment letter and follow-up requests; and, (d) the offering, if allowed to commence, would have been in violation of the antifraud provisions of the securities laws. (Rel. 33-5473)

APPOINTMENTS OF ROBERT LEWIS & ANDREW KLEIN ANNOUNCED

Lee A. Pickard, Director of the Division of Market Regulation, announced the appointment of Robert C. Lewis, Associate Director of the Division of Market Regulation for the Office of Trading Practices, to head up the Division's Office of Market Structure. Mr. Lewis will also continue to be responsible for the functions of the Office of Trading Practices.

In addition, Mr. Pickard announced today the appointment of Andrew M. Klein as Assistant Director of the Division of Market Regulation. Mr. Klein has been Special Counsel for the Division's Office of Market Structure since July 1973. Mr. Klein's primary responsibility will be the Office of Market Structure but he will also assist in the functions of the Office of Trading Practices.

Mr. Lewis joined the Commission's Division of Trading and Markets in August, 1968, after graduating from the George Washington University Law Center where he was a member of the Order of the Coif and the Editorial Board of the Law Review. He has served as a Special Counsel in the Division of Trading and Markets and subsequently in the Division of Market Regulation, as an editor of the Commission's Institutional Investor Study and as the Commission's representative to the Advisory Committee on a Central Market System. On April 10, 1973, Mr. Lewis was named Associate Director for the Division of Market Regulation in charge of the Office of Trading Practices.

^{*} The correct Docket citation for the News Digest of March 25, 1974 should read (SEC Docket, Vol. 4, No. 1 - Apr 9)

Prior to joining the Commission, Mr. Klein was associated with the New York law firm of Lovejoy, Wasson, Lundgren and Ashton. Mr. Klein received his B.A. degree from the University of Chicago in 1963 and his J.D. degree from the University of Chicago Law School in 1966. He was admitted to the New York bar in 1967.

COURT ENFORCEMENT ACTIONS

VANDERBILT GOLD CORPORATION, OTHERS, ENJOINED

The Los Angeles Regional Office announced that on March 18 the Federal court in Los Angeles, California, permanently enjoined Vanderbilt Gold Corporation of Santa Monica, California, Gerald W. Freeman of Pacific Palisades, California, and John F. Jordan, Jr. of Woodland Hills, California, from violations of the registration and antifraud provisions of the securities laws. The complaint alleged that the defendants had prepared and distributed two false and misleading research reports on Vanderbilt Gold Corporation while a registration statement was on file for that company's common stock. The defendants consented to the court order without admitting or denying the allegations of the complaint.

The complaint also named as defendants Bruce W. Zimmerman Investments, a registered securities broker-dealer, Bruce W. Zimmerman and John A. Bennett, all of Aurora, Colorado. (LR-6290)

FIDELITY REGISTRAR & TRANSFER CO. AND LEONARD REISCH PERMANENTLY ENJOINED

The New York Regional Office announced that on March 1 the U. S. District Court, Newark, New Jersey, permanently enjoined Fidelity Registrar & Transfer Co., of Jersey City, New Jersey, and its president, Leonard Reisch, of New York City, from violations of the antifraud provisions of the securities laws in the issuance, purchase, sale and pledge of unlawfully issued securities. In its complaint filed on September 28, 1973, the Commission charged that Fidelity, a registrar and transfer agent for approximately 80 corporations, abused its fiduciary position with respect to the transfer and issuance of eight companies by fraudulently issuing shares of stocks in such companies to Leonard Reisch and others. In addition, the complaint alleged the unlawful use of bogusly issued securities by Leonard Reisch and others, including sales in the over-the-counter market and pledging of bogus stock as collateral for personal loans.

A receiver had previously been appointed by the Court to assume the functions of Fidelity and, under a plan, to reconstruct the records and verify the issuance and transfer of the securities of companies for which Fidelity acted as transfer agent. (LR-6291)

ARTHUR J. LEVINE PLEADS GUILTY

The New York Regional Office announced that on March 19 Arthur J. Levine, former chairman of the Board of Weis Securities, Inc., pleaded guilty to one count of conspiracy to violate the securities laws and an information charging him with substantive violations of the bookkeeping provisions of the securities laws. Levine had been indicted on July 16, 1973, along with four other top officers of Weis, for their activities in the financial collapse of the brokerage firm. Weis is currently being liquidated under the Securities Investor Protection Act of 1970. (LR-6292)

BRIGADOON'S MOTION TO QUASH SUBPOENA DENIED

The New York Regional Office announced that on March 18 the U. S. District Court for New York denied a motion by Brigadoon Scotch Distributing Co. and a request for a temporary restraining order pending the outcome of said motion, seeking to quash a subpoena duces tecum issued by the Commission to a bank and the New York Telephone Co. The subpoenas sought information and documents relating to Brigadoon. The decision was based upon Brigadoon's "lack of standing to challenge the subpoena(s)." (LR-6293)
