FSIS DOCKET ROOM (Docket # 0251F)

To Whom It May Concern:

Thank you for your emergency measures banning the slaughter of downed cattle for human consumption. Now, please, ban permanently the slaughter of ALL DOWNED ANIMALS - sheep, pigs, all livestock (still including cattle) in the final ban. And, also, please add a requirement that all downed animals be humanely euthanized immediately, wherever they become downed.

Thank you for your attention to this. I know that if you do all of this for the animals, their Creator will also have compassion on you in your time of need.

May God strengthen you, guide you, bless you.

Sincerely,
Mary Ann Lackovich
