Dear Sirs

RECEIVED
FSIS DOCKET ROOM

04 FEB 25 PM 3:23

Thank you very
much for your emergency
measures to ban the
slaughter of downed cattle
for human consumption.

Please make the
ban permanent and make
it to include all downed
animals. They should be
humanely euthanized to relieve
their pain & suffering.

Please be humane
and have a heart. They
are all Gods creatures
