Docket #: 03-025IF

To whom it may concern:

Thank you for your efforts to ban the slaughter of downed cattle for human consumption. Please make this ban permanent, and please also include the ban to include all downed livestock – sheep, pigs, well as cattle. Furthermore, please add a requirement to the bill that all downed animals be humanly euthemized immediately, wherever they are downed.

Thank you.

Very truly yours,

Jana L. & Daniel I. Scher
