Dear Sir or Madam,

I would like to Thank The  
USDA for its emergency measures  
banning the slaughter of downed  
cattle for human or animal (pet)  
consumption (Docket # 03-0251F).

Please make the ban permanent  
including all downed animals  
(sheep, pigs, and other livestock)  
and add that all downed  
animals be humanely  
euthanized immediately - not  
allowed to suffer needlessly.

Thank you for your kind  
attention to this matter.

Marcia H Lawler
