RE: DOCKET # ~~04-037N~~ - Treatment of Live Poultry
before slaughter

I am writing on behalf of Farm Sanctuary & my family
& myself concerning the rescue & protection of farmed ^{animals} ~~animals~~

Poultry should be & must be protected & treated
Humanely. Please! You are aware of so much
abuse of these birds before slaughter. The perpet-
rators must be punished & these acts of cruelty
must stop! Please demand HUMANE TREATMENT
of All Farmed animals - please.

Sincerely, Phil Morello
