Chapter 31. Separations by Other than Retirement

1. Coverage.

a. Separations are actions that end employment with an agency. This chapter covers separations by other than retirement. Actions covered include: resignations; terminations; removals; separations due to reduction in force; separations to enter the uniformed services; and deaths. It includes those involuntary separations under which the employee may be eligible for discontinued service retirement, or MRA+10 retirements when the employee chooses to postpone the MRA+10 annuity commencing date beyond 31 days after separation. (See Chapter 44 and 42, respectively, of [The CSRS and FERS Handbook](#).)

b. This chapter does not cover: retirements (Chapter 30); movements from one part of an agency to another (Chapter 14); changes in the human resource system serving the employee (not an official personnel action); or details to a State or local government, to an institution of higher learning, to another agency, or to an international organization (Chapter 14).

2. Definitions.

a. Appeal Rights—An appeal right is an opportunity provided by law, Executive Order, regulation, or agency procedures to challenge a proposed action by presenting evidence and/or calling witnesses before an agency official who has the authority to modify or rescind the proposed action. For purposes of this chapter, the right to challenge an action through procedures designed to handle complaints of

discrimination or violation of merit system principles is not an appeal right.

b. Resignation—a separation initiated by an employee.

c. Resignation—ILIA (in lieu of involuntary action)—a separation initiated by the employee under circumstances that meet the definition of “involuntary separation” in Chapter 44 of [The CSRS and FERS Handbook](#).

d. Removal—a separation from Federal service initiated by the agency, the Office of Personnel Management or the Merit Systems Protection Board under parts 359, 432, 731, or 752 of title 5, Code of Federal Regulations; section 1201 of title 5, U.S. Code; or comparable agency statutes or regulations. (Note: This Chapter covers actions that remove an employee from the agency. Most removals from the Senior Executive Service under part 359 result in conversion to an appointment outside the Senior Executive Service. These conversions are covered in Chapters 9-11.)

e. Separation-Appt In (name of entity)—a separation when an employee leaves a Federal agency to accept employment with a non-Federal Government entity that takes over his or her Federal functions *AND* the employee will continue to receive Federal benefits.

f. Separation-US (uniformed services)—a separation action initiated by the agency when the employee enters on duty with the uniformed services. (Note: This action is not appropriate when an employee fails to return, and did not provide written notice of intent not to return. In that case, he or she is subject to the policy and disciplinary

action the agency would normally apply for a similar absence without approval.)

g. Separation-RIF—a separation from the agency under parts 351 or 359, title 5, Code of Federal Regulations, or as a consequence of reduction in force.

h. Termination-Appt In (agency)—a separation action initiated by either the employee or the agency when the employee (or a group of employees) moves from one agency to another agency.

i. Termination during Prob/Trial Period—an agency-initiated separation of an employee who is serving an initial appointment probation or a trial period required by civil service or agency regulations.

j. Termination-Exp of Appt—a separation action initiated by the agency to end employment on the not-to-exceed date of a temporary appointment.

k. Termination-Sponsor Relocating—an action to document the separation of a Department of Defense employee who submits a resignation to accompany a military or civilian sponsor to a new duty station.

3. Selection of Legal Authority.

a. Meaning of “equivalent to CS Regs.” For some actions covered by this Chapter, the legal authority will depend on whether the action is being taken under civil service laws and regulations, under agency procedures that are equivalent to those required under civil service laws and regulations, or under other procedures. To select the legal authority, you must know what procedures were used. If you are not sure, ask the person who approved the action. *You cannot*

select the correct authority without knowing the procedures used to effect the action.

b. Agency-Unique Authorities. If the action is being taken under an authority that is unique to your department or agency, cite that authority instead of the authority and code shown in this Chapter.

The Office of Personnel Management must have issued an authority code before an agency-unique authority can be used instead of the authorities shown in this Chapter.

c. Actions for Which the Agency Must Select the Authority. For some actions you will be given a legal authority code and told to cite the appropriate authority.

(1) If a specific law, Executive Order, regulation, or agency directive was the basis for the action, cite it in the legal authority block on the Standard Form 52/50, *along with the legal authority code shown in the table.*

(2) When the employee is serving on a temporary appointment and no other law, Executive Order, regulation, or agency directive applies to the action, cite the appointment authority in the legal authority block on the Standard Form 52/50, *along with the legal authority code shown in the table.*

(3) For situations not described in paragraphs (1) and (2), cite “5 U.S.C. 302” in the legal authority block on the Standard Form 52/50, *along with the legal authority code shown in the table.* 5 U.S.C. 302 is the general authority for an agency head to delegate authority to take actions necessary to carry out personnel actions. Cite it *only* in those rare instances when no other authority is appropriate for the action.

4. Documenting Reason(s) for Separations

a. Need for Remarks. Most of the actions in this Chapter require remarks that document the reasons for the action. These remarks are used to determine future employment eligibility and eligibility for various benefits, including unemployment compensation. When a former employee applies for unemployment compensation, the State employment security agency will use the nature of action and the remarks to adjudicate the claim. Inadequate or incomplete information about the separation may result in delays or errors in processing such claims.

b. Employee's Reason for Resignation.

(1) Each person who resigns should be asked to do so in writing. Part E of the Standard Form 52 is one option for submitting a written resignation. When the employee resigns orally, try to obtain written confirmation. If this is not possible, ask the person who received the oral resignation to document it in a memorandum for the record.

(2) In the remarks section of the Standard Form 50, quote in full the employee's reason for resigning. If the employee's reason is so lengthy that it will not fit in the space available, summarize it. The entire reason will remain a matter of record because the resignation is a long term Official Personnel Folder document.

c. Agency Comments Regarding Employee's Reason for Resignation—Agency Finding.

(1) Employees without appeal rights. When the employee is serving an initial appointment probation or a trial period

required by civil service or agency regulations, or when employee is serving under an appointment that does not afford appeal rights, NO agency comments or findings regarding the employee's resignation may be placed on the Standard Form 52, Standard Form 50, in the employee's Official Personnel Folder, or in the Employee Performance Folder.

(2) Employees with appeal rights.

Agency findings should be documented on the resignation Standard Form 50 *only* when the employee has appeal rights *and* has been notified *in writing* of an agency action *BEFORE* the resignation was submitted. Agency findings should be documented if the employee was notified of:

- a proposed or pending disciplinary or adverse action;
- a proposed or pending position change due to failure to complete a supervisory/managerial probationary period successfully;
- action to withhold a within-grade increase; or
- proposed removal from the Senior Executive Service.

Unless the employee was notified in writing BEFORE submitting the resignation, do NOT record any adverse agency findings on the Standard Form 52, Standard Form 50, in the Official Personnel Folder or the Employee Performance Folder.

d. Agency-Initiated Separations.

(1) Employees without appeal rights. When an employee who is serving on an appointment that *does not* afford appeal rights is separated for conduct and/or performance reasons, NO agency reasons for or comments regarding the action may be placed on the Standard Form 52, the

Standard Form 50, in the Official Personnel Folder or Employee Performance Folder.

(2) Employees with appeal rights.

When an employee serving on an appointment that does afford appeal rights is separated by the agency, the agency must summarize the reason(s) for the action in the Standard Form 50 remarks. The reason(s) must be consistent with any written reason(s) previously given the employee as the basis for his or her separation.

e. Unemployment Compensation Claims. An agency may have factual information that would impact on a former employee's unemployment compensation claim but is not documented on the separation Standard Form 50. In these cases, the agency may retain that information in a "subject file" that is separate and apart from the employee's personal records or any other records that are filed by and retrieved by employee name or employee identifier (such as an employee number, a payroll number, or Social Security Number). These files are retained for two years from the effective date of the separation.

5. Effective Dates.

All separations are effective at the end of the day (midnight) unless an earlier time is indicated on the Standard Form 50.

a. Termination-Appointment In. When the separation is to move to other Federal employment without a break in service, the effective date should be the day immediately preceding the day the employee entered on duty in the new employing agency. Do not process the Termination-Apppt In (agency) action

before receipt of evidence that the employee actually has been appointed in the other agency. Accept as evidence of the appointment *only*:

- (1) a copy of the Standard Form 50 or list form of notice by which the other agency appointed the person; *or*
- (2) a copy of the other agency's appointment Standard Form 52 showing the appointment date and the appointing official's signature.

b. Termination during probationary period. The initial appointment probationary period ends at the end of the employee's tour of duty on the last work day of the probationary period. If management decides to terminate the employee during the probationary period, the Standard Form 50 must be effective on a *day prior* to the last day of the probationary period, or at a specific *time of day* before the end of the employee's work day on the last day of the probationary period.

c. Other separations. Resignations are effective on the date specified by the employee. Other separations are effective on the date set by the agency. When advance notice periods are required by law or regulation (for example, under adverse action procedures), the separation may not be effective prior to the last day of any notice period.

d. Two actions proposed for the same date. When two actions, such as a termination during probationary period and a resignation, are proposed for the same date but one specifies an earlier time, process the one with the earlier time. When two actions are proposed for the same date and time, process the one that was submitted *first*.

Example 1: On July 12th, a supervisor submits a request to terminate a probationary employee, effective July 16th. On July 13th, the employee submits a resignation to be effective “at the end of the workday on July 16th.” The agency's action would be effective at midnight since an earlier time was not specified. Because the actions would be effective at different times, and because the resignation would be effective first, the agency processes the resignation instead of the termination.

Example 2: On April 10th, the agency notifies the employee of its decision to remove him effective May 10th. On April 12th, the employee submits a resignation which is also effective on May 10th. Because neither request specifies an earlier time, each would be effective at midnight on May 10th. Since the removal was submitted first, the agency processes the removal instead of the resignation.

6. Instructions.

a. Follow instructions in Chapter 4 to complete the Standard Form 52 and Standard Form 50.

b. Select the nature of action and authority from the appropriate table:
Use Table 31-A for resignations; and
Use Table 31-B for separations other than resignations.

c. Use Table 31-C to select codes for remarks required for the action. Use Table 31-D to translate remarks codes into the remarks.

d. Also enter any additional remarks codes/remarks that are required by your agency's instructions or that are necessary to explain the action.

e. An employee may receive a within-grade increase (WGI) while in nonpay status when the WGI becomes due during the period of nonpay time that is creditable for that step. If the WGI was not processed before the separation, show the step and salary to which employee was entitled in blocks 19 and 20 of the separation Standard Form 50. Use remark P16 to explain that the employee met requirements for the WGI.

f. Follow your agency's instructions to process the action and distribute the Standard Form 50.

g. Check [The Guide to Personnel Recordkeeping](#) to decide what documents submitted or created in connection with the action should be filed in the employee's Official Personnel Folder. Follow your agency's instructions to dispose of those not filed in the Folder.

>h.< Follow instructions in [The Guide to Personnel Recordkeeping](#) to transfer the Official Personnel Folder. After you dispatch it, if you find any long-term (right side) records that belong to the Folder, send them immediately to the address to which the Folder was sent. Be sure employee's full name, social security number, and date of birth are on *each form or document*.

NOTES:

1. When employee is leaving your agency to accept employment without a break in service in another agency, follow the instructions in Table 31-B to process the action as a 352/Termination-Appt In (agency). When the employee is moving to another appointment in your agency without a break in service, process the action as a conversion to the new appointment, *not* a resignation.
2. See Regulation 752.401(c) for a list of the employees who are covered by Part 752 of the civil service regulations and, therefore, have appeal rights. If the employee is serving on an appointment that is not listed in Regulation 752.401(c), such as on an Appt NTE in the competitive service, then the employee has no appeal rights.
3. The suffix "CAA" stands for "in lieu of action proposed under Civil Service adverse action procedures;" the suffix "EAA" stands for "in lieu of action proposed under agency procedures that are equivalent to the Civil Service adverse action procedures;" and the suffix "OAA" stands for "in lieu of action proposed under other adverse action procedures."
4. If an employee declines a reassignment and the agency issues a notice of proposed separation that is then followed by the employee's resignation, use Rules 20-22.
5. Use this rule only when the employee has been notified in writing of the proposed action.
6. If a Department of Defense employee is resigning to accompany a sponsor overseas, use Table 31-B.

1. See Table 31-D to translate codes into actual remarks.

4. Remarks on the separation Standard Form 50 for the previous separation and on the Standard Form 50 for the current appointment should show whether or not employee was entitled to and/or received severance pay based upon a previous separation.
5. See 5 CFR part 550, subpart G, to determine conditions under which employee is entitled to severance pay, severance pay will be recomputed or resumed, and conditions under which severance pay entitlement is lost.

NOTES (Continued):

6. These instructions do not apply when action is 352/Termination-Appt in (agency).
7. Follow instructions in Figure 6-4 to convert hours worked to months and days of service credit. Standard Form 50 remarks are used as the basis for future service computation date calculations. Therefore, if your agency uses additional remarks to explain the time the employee worked, those agency remarks must show the intermittent service in terms of the *credit* to which the employee is entitled, rather than in terms of elapsed calendar time. Example: if employee worked on ten different days for a total of 35 hours, show in your agency remarks that the 35 hours equaled 6 days of service credit.
8. See [The Employees Health Benefits Handbook](#) for information about determining whether an involuntary separation is due to gross misconduct.
