FERC-727 and FERC-728

OMB Control Number: 1902-0214 & 1902-0213

Expiration Date: 4/30/08

Federal Energy Regulatory Commission Survey Demand Response, Time-Based Rate Programs/Tariffs and Advanced Metering Infrastructure General Information

Q1	What is your entity or company's name?

You may be filing for more than one entity or company (entity). Please list only one of the following on each row: **EIA number or Respondent ID** (EIA number), state, and **Regional Council**. You will need to use more than one row if:

- You are filing for more than one EIA number
- You are filing for an EIA number that is active in more than one Regional Council footprint
- You are filing for an EIA number that is active in more than one state

If you are filing for one EIA number that is active in one state and one Regional Council, use only the first row and ignore the other rows. If you are filing for more than 15 entities, please call 1-800-716-9841 to receive a spreadsheet to fill out.

Q2 Please	fill in the blanks of the follow	ving table.			
EIA number	Name of entity	State (Use state abbreviation or full state name)	Regional Council (ERCOT, FRCC, MRO, NPCC, RFC, SERC, SPP, WECC)	Own or operate revenue/billing meters (yes or no)	Offer demand response and/or time-based rates/tariffs (yes or no)

Q3 Please provide your contact information.						
First name						
Middle initial						
Last name						
Phone number						
Email address						
Company corporate address						

Q4 For entities with no advanced or smart metering, please provide the number of revenue or billing meters by customer class. For these entities, you will not need to file FERC-728 on Advanced Metering. Please make sure the numbers are provided for each state and EIA number. If an entity is split across state boundaries, please fill out one row per state.

State (Use state abbreviation or full state name)	EIA Number	Residential	Commercial	Industrial	Transportation	Other (e.g., agricultural)

Q5 Do any of the entities use advanced or smart meters for billing or revenue purposes?								
Yes	Go to Q6							
No	Go to Q7							

Please note that FERC-728 on Advanced Metering should be completed by the **entities** that use **advanced or smart metering**.

Q6 Please provide the following contact information for personnel responsible for filing FERC-728 for entities that use advanced or smart metering. If you will be filing FERC-728 for some or all of the entities, enter "Y" in the first column and leave the other columns blank. If not, enter "N" in the first column and provide the contact information for the person filing FERC-728.

	information for the person filing FERC-728.										
You are filing (Y or N)	EIA number	First name	Middle initial	Last name	Phone number	Email address					
<u> </u>											

For entities with no **demand response programs** and **time-based rate/tariffs**, please provide the information below for Questions 7 and 8. For these entities, you will **not** need to file FERC- 727 on Demand Response.

Q7 Please provide the number of retail customers by customer class for entities that do not offer demand response programs and time-based rates/tariffs. The numbers provided should be for each Reliability Council and EIA number. If entities are split across Reliability Council boundaries, please fill out one row per Reliability Council. If this is cumbersome, you may report the Reliability Council associated with the majority of retail customers.

retail customers.									
Reliability Council (ERCOT, FRCC, MRO, NPCC, RFC, SERC, SPP, WECC)	EIA number	Residential	Commercial	Industrial	Transportation	Other (e.g., agricultural)			

Q8 For entities that do not offer demand response programs and time-based rates/ tariffs, please provide the peak MW demand for 2007 by customer class. The numbers provided should be for each Reliability Council and EIA number. If entities are split across Reliability Council boundaries, please fill out one row per Reliability Council. If this is cumbersome, you may report the Reliability Council associated with the majority of customers.

Council. If this is cumbersome, you may report the Kellability Council associated with the majority of customers.								
Reliability Council (ERCOT, FRCC, MRO, NPCC, RFC, SERC, SPP, WECC)	EIA number	Residential	Commercial	Industrial	Transportation	Other (e.g., agricultural)	System peak MW demand	

Q9 Do any of the entities offer demand response programs or time-based rates/tariffs?							
Yes	Yes Go to Q10.						
No	Go to end of survey.						

Please note that FERC-727 on Demand Response should be completed by entities that offer demand response programs or time-based rates/tariffs.

Q10 Please provide the following contact information for personnel responsible for filing FERC-727 for entities that offer demand response programs or time-based rates/tariffs. If you will be filing FERC-727 for some or all of the entities, enter "Y" in the first column and leave the other columns blank. If not, enter "N" in the first column and provide the contact information for the person filing FERC-727.
