$\mathrm{S}=$ suppressed data with weighted cases less than 50 or fewer than 5 respondents and with weighted cases less than 200 for salary data.
${ }^{\text {a }}$ Salary data for those whose principal job was less than 35 hours per week are not included. Salary data are for principal job only.
NOTES: Numbers are rounded to nearest 10 and median salaries to nearest $\$ 1,000$. Detail may not add to total because of rounding. Total includes Native Hawaiian/other Pacific Islander and multiple race not shown separately. For disability status, those who reported any difficulty (from moderate to unable to do) in any category of seeing (with glasses/contact lenses), hearing (with hearing aid), walking, or lifting are classified as "with disability."
