ADA has your CPE costs covered!

ADA's newest member benefit saves you time and money as you complete your continuing professional education (CPE) requirements. Members can get up to **four** units of CPE at no additional charge each month by reading specified *Journal* articles and taking the accompanying test.

Journal articles that meet your learning needs and are identified as approved for CPE credit are worth **two** CPEUs (Continuing Professional Education Units) each, and are classified by the Professional Development Portfolio (PDP) as "Pre-Approved, Self-Study." This means that, unlike "Professional Reading" articles, you're not limited to 15 CPEUs in a five-year cycle (10 for DTRs). There is **no limit** to the number of self-study *Journal* articles you can read for CPE in a five-year cycle—at no cost, and in the convenience of your home or office.

Of course, if you're using the Portfolio recertification process, the articles need to match the learning needs identified in your Learning Plan. With **24** *Journal* articles to choose from annually and **120** articles in five years, you're bound to find many that meet your particular needs.
