

D. How May I Participate in This Meeting?

You may participate in this meeting by following the instructions in this section. To ensure proper receipt by EPA, it is imperative that you identify docket ID number EPA-HQ-ORD-2008-0629 in the subject line on the first page of your request.

a. *Oral comments.* Requests to present oral comments will be accepted up to October 14, 2008. To the extent that time permits, interested persons who have not pre-registered may be permitted by the Chair of the HSRB to present oral comments at the meeting. Each individual or group wishing to make brief oral comments to the HSRB is strongly advised to submit their request (preferably via e-mail) to the person listed under **FOR FURTHER INFORMATION CONTACT** no later than noon, Eastern time, October 14, 2008 in order to be included on the meeting agenda and to provide sufficient time for the HSRB Chair and HSRB Designated Federal Officer (DFO) to review the agenda to provide an appropriate public comment period. The request should identify the name of the individual making the presentation, the organization (if any) the individual will represent, and any requirements for audiovisual equipment (e.g., overhead projector, LCD projector, chalkboard). Oral comments before the HSRB are limited to five minutes per individual or organization. Please note that this limit applies to the cumulative time used by all individuals appearing either as part of, or on behalf of an organization. While it is our intent to hear a full range of oral comments on the science and ethics issues under discussion, it is not our intent to permit organizations to expand these time limitations by having multiple individuals sign up separately to speak on their behalf. Each speaker should bring 25 copies of his or her comments and presentation slides for distribution to the HSRB at the meeting. At the discretion of the Board Chair and DFO, public commenters, if present during the Board's discussion, may be asked to provide clarification of their comments to assist the Board in their discussion.

b. *Written comments.* Although you may submit written comments at any time, for the HSRB to have the best opportunity to review and consider your comments as it deliberates on its report, you should submit your comments at least five business days prior to the beginning of the meeting. If you submit comments after this date, those comments will be provided to the Board members, but you should recognize that

the Board members may not have adequate time to consider those comments prior to making a decision. Thus, if you plan to submit written comments, the Agency strongly encourages you to submit such comments no later than noon, EST, October 14, 2008. You should submit your comments using the instructions in Unit I.C. of this notice. In addition, the Agency also requests that person(s) submitting comments directly to the docket also provide a copy of their comments to the person listed under **FOR FURTHER INFORMATION CONTACT**. There is no limit on the length of written comments for consideration by the HSRB.

E. Background

A. Human Studies Review Board

The HSRB is a Federal advisory committee operating in accordance with the Federal Advisory Committee Act (FACA) 5 U.S.C. App.2 section 9. The HSRB provides advice, information, and recommendations to EPA on issues related to scientific and ethical aspects of human subjects research. The major objectives of the HSRB are to provide advice and recommendations on:

- a. Research proposals and protocols; b. reports of completed research with human subjects; and c. how to strengthen EPA's programs for protection of human subjects of research. The HSRB reports to the EPA Administrator through EPA's Science Advisor.
- The EPA will present for HSRB review scientific and ethical issues surrounding:
- The scenario design document and three associated protocols from the Agricultural Handlers Exposure Task Force (AHETF) for research to monitor the exposure of subjects in closed cabs who apply an agricultural pesticide using airblast equipment. The scenario design document is identical to the one that was reviewed by the HSRB in June 2008, except that chlorothalonil has been added to the list of test chemicals.
 - The scenario design document and three associated protocols from the AHETF for research to monitor exposure of subjects in open cabs who apply an agricultural pesticide using airblast equipment.
 - The report from a completed field study (LNX-001) by Carroll-Loye Biological Research of the mosquito repellent efficacy of two pesticide products containing picaridin. The HSRB previously reviewed the proposed study at its June 2007 meeting.
- The Agency will brief the HSRB on its draft document, *Guideline for Efficacy*

Testing of Skin-Applied Repellents. The guideline provides recommendations for the design and execution of studies to evaluate the performance of pesticide products intended to repel insects and other arthropods. In addition, the Board may be reviewing its draft meeting report from the June 24-25, 2008 HSRB meeting for subsequent Board approval. Finally, the HSRB may also discuss planning for future HSRB meetings.

B. Meeting Minutes and Reports

Minutes of the meeting, summarizing the matters discussed and recommendations, if any, made by the advisory committee regarding such matters will be released within 90 calendar days of the meeting. Such minutes will be available at <http://www.epa.gov/osa/hsrb/> and <http://www.regulations.gov>. Title: Rules and Regulations Implementing the Telephone Consumer Protection Act (TCPA) of 1991, CG Docket No. 02-278.

Form Number: Not applicable.
Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit entities; Individuals or households; Not-for-profit institutions.

Number of Respondents and Responses: 49,397 respondents; 135,607,383 responses.

Estimated Time per Response: .004 hours (15 seconds) to 1 hour.

Frequency of Response: Recordkeeping requirement; On occasion reporting requirement; Third-party disclosure requirement.

Total Annual Burden: 625,406 hours.
Total Annual Cost: \$4,590,000.

Obligation to Respond: Required to obtain or retain benefits; the statutory authority for the information collection requirements is found in the Telephone Consumer Protection Act of 1991 (TCPA), Public Law 102-243, December 20, 1991, 105 Stat. 2394, which added Section 227 of the Communications Act of 1934 [47 U.S.C. 227], Restrictions on the Use of Telephone Equipment.

Nature and Extent of Confidentiality: Confidentiality is an issue to the extent that individuals and households provide personally identifiable information, which is covered under the FCC’s system of records notice (SORN), FCC/CGB-1, “Informal Complaints and Inquiries.” A system of records for the do-not-call registry was created by the Federal Trade Commission (FTC) under the Privacy Act. The FTC published a notice in the **Federal Register** describing the system. See 68 FR 37494, June 24, 2003.

Privacy Impact Assessment: Yes. The Privacy Impact Assessment was completed on June 28, 2007. It may be reviewed at: <http://www.fcc.gov/omd/privacyact/>

Privacy Impact Assessment.html.

Needs and Uses: The reporting requirements included under this OMB Control Number 3060-0519 enable the Commission to gather information regarding violations of the Do-Not-Call Implementation Act (Do-Not-Call Act). If the information collection was not conducted, the Commission would be unable to track and enforce violations of the Do-Not-Call Act. The Do-Not-Call rules provide consumers with several options for avoiding most unwanted telephone solicitations.

This national do-not-call registry supplements the current company-specific do-not-call rules for those consumers who wish to continue requesting that particular companies not call them. Any company, which is asked by a consumer, including an existing customer, not to call again must honor that request for five (5) years.

However, a provision of the Commission’s rules allows consumers to give specific companies permission to call them through an express written agreement. Nonprofit organizations, companies with whom consumers have an established business relationship, and calls to persons with whom the telemarketer has a personal relationship

are exempt from the “do-not-call” registry requirements.

On September 21, 2004, the Commission released the *Safe Harbor Order* establishing a limited safe harbor in which persons will not be liable for placing autodialed and prerecorded message calls to numbers ported from a wireline service within the previous 15 days. The Commission also amended its existing national do-not-call registry safe harbor to require telemarketers to scrub their lists against the do-not-call database every 31 days.

On December 4, 2007, the Commission released the *DNC NPRM* seeking comment on its tentative conclusion that registrations with the Registry should be honored indefinitely, unless a number is disconnected or reassigned or the consumer cancels his registration.

On June 17, 2008, the Commission released a *Report and Order* in CG Docket No. 02-278, FCC 08-147, amending the Commission’s rules under the Telephone Consumer Protection Act (TCPA) to require sellers and/or telemarketers to honor registrations with the National Do-Not-Call Registry so that registrations will not automatically expire based on the current five-year registration period. Specifically, the Commission modifies § 64.1200(c)(2) of its rules to require sellers and/or telemarketers to honor numbers registered on the Registry indefinitely or until the number is removed by the database administrator or the registration is cancelled by the consumer.

In accordance with the Do-Not-Call Improvement Act of 2007, the Commission revises its rules to minimize the inconvenience to consumers of having to re-register their preferences not to receive telemarketing calls and to further the underlying goal of the National Do-Not-Call Registry to protect consumer privacy rights.

Federal Communications Commission.
