## DEPARTMENT OF JUSTICE

### Antitrust Division

#### **United States v. Cingular Wireless Corporation, SBC Communications Inc., BellSouth Corporation, and AT&T Wireless Services, Inc.; Competitive Impact Statement, Proposed Final Judgment, Complaint, Preservation of Assets Stipulation and Order**

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a Complaint, proposed Final Judgment, Preservation of Assets Stipulation and Order, and Competitive Impact Statement have been filed with the U.S. District Court for the District of Columbia in *United States v. Cingular Wireless Corps.*, Civil Case No. 1:04CV01850 (RBW). On October 25, 2004, the United States, along with the Attorneys General from the states of Connecticut and Texas, filed a complaint alleging that the proposed acquisition of AT&T Wireless Services, Inc. ("AT&T Wireless") by Cingular Wireless Corp. ("Cingular"), which is jointly owned by BellSouth Corporation ("BellSouth") and SBC Communications, Inc. ("SBC"), would violate Section 7 of the Clayton Act, 15 U.S.C. 18, by substantially lessening competition in the provision of mobile wireless telecommunications services and mobile wireless broadband services. The proposed Final Judgment, filed at the same time as the Complaint and Preservation of Assets Stipulation and Order, requires Cingular to divest assets in eleven states—Connecticut, Georgia, Kansas, Kentucky, Louisiana, Massachusetts, Missouri, Michigan, Oklahoma, Tennessee, and Texas—in order to proceed with Cingular Wireless's \$41 billion cash acquisition of AT&T Wireless. A Competitive Impact Statement filed by the United States on October 29, 2004 describes the Complaint, the proposed Final Judgment, the industry, and the remedies available to private litigants who may have been injured by the alleged violation.

Copies of the Complaint, proposed Final Judgment, Preservation of Assets Stipulation and Order, the Competitive Impact Statement, and all further papers filed with the Court in connection with the Complaint will be available for

inspection at the Antitrust Documents Group, Antitrust Division, Liberty Place Building, Room 215, 325 7th Street, NW., Washington, DC 20530 (202-514-2481), and at the Office of the Clerk of the U.S. District Court for the District of Columbia. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the copying fee set by Department of Justice regulations.

Interested persons may submit comments in writing regarding the proposed consent decree to the United States. Such comments must be received by the Antitrust Division within sixty (60) days and will be filed with the Court by the United States. Comments should be addressed to Nancy Goodman, Chief, Telecommunications & Media Enforcement Section, Antitrust Division, U.S. Department of Justice, 1401 H Street, NW., Suite 8000, Washington, DC 20530 (202-514-5621). At the conclusion of the sixty (60) day comment period. The U.S. District Court for the District of Columbia may enter the proposed consent decree upon finding that it serves the public interest.
