ADMINISTRATION,

Agreement No. M72177**

As a result of the reorganization of the Department of Homeland Security (DHS) required by the Department of Homeland Security Appropriations Act, 2007, Pub. L. No. 109-295, 120 Stat. 1355 (2006), the responsibility for providing technical assistance to State and local public safety agencies through the Interoperable Communications Technical Assistance Program (ICTAP) was transferred to the DHS Office of Emergency Communications from the National Preparedness Directorate (NPD) of the Federal Emergency Management Agency (formerly the DHS Office of Grants and Training). In recognition of this transfer and to relieve NPD of its obligation to provide such technical assistance to PSIC Program grant applicants and awardees and for the National Telecommunications and Information Administration to pay NPD for such services, the Agreement between the two agencies is amended as follows:

1. In subsection V.A., delete paragraphs 6 and 10;
2. In Section VI, insert "\$978,985,000" in lieu of "\$988,985,000" regarding total amount to be transferred, "\$968,385,000" in lieu of "\$958,985,000" regarding amounts to be transferred for grants, and "\$10,600,000" in lieu of "\$30,000,000" regarding amounts to be transferred for management and administrative services; and
