

ATSDR
AGENCY FOR TOXIC SUBSTANCES
AND DISEASE REGISTRY

MAKE PLANS TO ATTEND THE

Public Availability Session

Announcement

About the Community Service Activity in Elmore, Ohio

The Agency for Toxic Substances and Disease Registry (ATSDR) is a federal public health agency. We will hold an availability session in your community. We want to talk about our offer to test community members who want to find out if their immune systems are sensitized to beryllium. There will be no formal presentations made; however, members of the community will be able to speak with ATSDR representatives at any time during the hours of the session.

When:

Tuesday, April 25, 2006
4:00 pm - 8:00 pm

Where:

Woodmore High School
633 Fremont Street
Elmore, OH 43416

You are invited to give us comments about this plan for testing. The plan is currently available for public comment through April 30. For a more detail description of the plan, visit ATSDR's website at: <http://www.atsdr.cdc.gov/sites/brushwellman/protocol.pdf>.

The plan can also be reviewed at the local repositories:

Harris-Elmore Library
Elmore Branch
328 Toledo Street
Elmore, OH 43416

Harris-Elmore Library
Elmore Branch
602 West Street
Genoa, OH 43430

For More Information

Contact Dr. Dan Middleton, ATSDR Medical Epidemiologist or Loretta Bush, Health Communication Specialist at 1-888-422-8737 weekdays between 9:00 am - 5:00 pm (EST).

ATSDR is a federal public health agency under the
U.S. Department of Health and Human Services
