

NOVEMBER 1987

IMPORT HEALTH REQUIREMENTS OF BAHRAIN  
FOR HORSES EXPORTED FROM THE UNITED STATES

The animals must be accompanied by a U.S. Origin Health Certificate issued by a veterinarian authorized by the U.S. Department of Agriculture (USDA) and endorsed by a Veterinary Services (VS) veterinarian. The certificate shall contain the name and address of the consignor and the consignee and complete identification of the animals to be exported. Additional information shall include:

CERTIFICATION STATEMENT

The animals are in good health and free from evidence of communicable disease and exposure thereto.

TEST REQUIREMENTS

The animals were negative to the following test within 30 days prior to export:

1. Equine infectious anemia: agar gel immunodiffusion (Coggins) test

EMBARKATION STATEMENT

At the port of embarkation, a VS port veterinarian shall attach to the Origin Health Certificate the Certificate of Inspection of Export Animals (VS Form 17-37) showing:

1. The name and address of the consignor.
2. The name and address of the consignee.
3. The number and species of animals to be shipped.
4. A statement that the animals have been given a careful veterinary inspection at the port of embarkation and found free from evidence of communicable disease and exposure thereto within 24 hours of exportation.
