

*Federal Information Systems
Security Educators' Association*

9th FREE WORKSHOP

“What’s Happening?”

Wednesday, July 16 *

* Pre-registration is required by July 14th

Presented by: The U.S. Department of State Information Assurance Training Team in collaboration with the Federal Information Systems Security Educators' Association (FISSEA).

Overview: Come to our 9th Free FISSEA workshop to hear about what is new in the information system security awareness and training field. Invited speakers and topics include:

- George Bieber, DoD 8570 Certification Update and SAST Virtual Range
- Susan Hansche, ISS LOB Tier 2 Training Update
- Tim Mucklow, CNSS Training Standards
- Mark Wilson, NIST SP 800-16 Update
- Jim Wrubel, Carnegie Mellon Virtual Training Environment

Your Input Needed: If your agency is working on a new federal awareness and training initiative that would have impact to the FISSEA membership and would like to share it during the workshop, please contact Susan Hansche (hansches@state.gov) so we can include you on the agenda.

Who Should Attend: Training and management professionals interested in or responsible for information system security awareness, training, and education programs within the federal sector.

When: Wednesday, July 16, 2008 (pre-registration by July 14 required)
8:45am – 12:00pm

Where: U.S. Department of State, Bureau of Diplomatic Security
Diplomatic Security Training Center
2230 Gallows Road
Dunn Loring, VA 22027

Cost: Free to FISSEA members!

Attendance: Maximum, 50 people, first-come, first served

You must pre-register by July 14, 2008

Reservation contact: Jenny Culnen, culnenjm@state.gov (571) 226-9488
