This table shows the CalWORKS participation status of cases with adults for the last month of each quarter starting with March 2005 and going through June 2007. Total Cases With an Adult comes from the CA 237 CW. The remainder of the information is from the WTW 25 and WTW 25A.

Total Non-Exempt Cases (Line 3) are derived by subtracting out cases with Exemptions or Good Cause from the Total Cases With an Adult (Line 1). The Non-Exempt Cases are the cases that are required to participate in a Welfare-to-Work activity.

The Total Non-Exempt Cases Participating (Line 4) comes directly from the WTW 25 & 25A line that reports the unduplicated count of all adults participating in an activity. Lines 5 through 8 show some of the allowed activities including Entered Employment, Vocational Education, Unsubsidized Employment, and Mental Health and Substance Abuse that recipients may participate in.

The count of Cases not in an activity during the report month (Line 11), is arrived at by subtracting Total Non-Exempt Cases Participating (Line 4), Sanctioned cases (Line 9), and Non-Compliant cases (Line 10) from the Total Non-Exempt Cases with an Adult (Line 3).

The lower half of the table shows the percentages of individuals in each of the listed categories.

**Notes:** The WTW 25 and 25A data is individual level data and may report two adults in the same case. Since CA 237 CW data is case data, there may be some bias in combining the two sources.

In the event counties fail to submit data for a particular month, the previous month's data is substituted for the missing month. Revisions are made when the missing data is eventually submitted.
