^{1/} Data Source: FFY 2006 Q5 TANF/SSP Work Participation database reconciled with ACF database as of September 6, 2007. The data include TANF and Separate State Program (SSP) one and two parent cases.

^{2/} Child Only cases are not currently in these calculations. Pursuant to language in the Deficit Reduction Act, beginning in FFY 2007, sanctioned or timed-out parents living with an aided child are considered work-eligible and will be included in the rate calculation.

^{3/} All Family work participation rules and requirements were used in the determination of "meeting" or "not meeting" the Federal Work Participation Requirements. Hourly requirements: Single Custodial Parent case with a child under 6--20 hours; other cases without a child under 6--30 hours.

^{4/} Teen parents satisfactorily attending secondary school or participating in 20 or more hours of education directly related to employment are also included in this category.
