

Why is it important for my child to be active and play?

- ① Children learn through play.
- ① Play helps her get along with others.
- ① Play helps her learn new skills and use her imagination.
- ① Play helps her learn about words, feelings and thoughts.
- ① Seeing and doing new things helps your child's brain to grow.

How can I make activity fun and encourage my child to play?

- ✦ Play with your child. He will enjoy spending time with you! Find activities that you both enjoy.
- ✦ Be a role model for your child. He will watch you and want to be like you.
- ✦ Encourage your child to play outside every day. Fresh air is good!
- ✦ Children need planned activity as well as free play.
- ✦ Arrange for your child to play with other children often.

Some activities to do with your child:

Make Believe Walk

Help your child pretend to walk through different places:

- In the forest
- On the moon
- In the jungle
- On hot sand
- Through the snow
- In the mud

Indoor helping activities

- Pick up toys
- Help make beds
- Help dust furniture
- Help feed and care for pets
- Help clean floors
- Carry laundry
- Help grocery shopping

Marching Band

Make some instruments using:

Dried beans in an empty container with a lid to shake (oatmeal box, coffee can).

Use wooden spoons to bang on pots.

Take rubber bands, stretch them over containers, and pull on them to make sounds.
