Director Kent Buckman  
Office of Corporate Credit Unions  
National Credit Union Administration  
OCCU  
1775 Duke St.  
Alexandria, Va. 22314

I am writing to you to urge you to support and do all you can to ensure the passage of Regulation AA - "Unfair or Deceptive Acts or Practices" R-1314, regarding consumer credit card accounts and overdraft protection services for checking accounts.

This has been something that has been long overdue for some restrictions in the benefit of consumers so I am doing all I can to see that this regulation gets enacted.

Sincerely,

  
Marci Pfeiffer
