Subject: FCU Bylaws

Mary Rupp, Secretary of the Board

Ms Rupp:

I am writing in support of the reincorporation of the FCU Bylaws into the NCUA regulations.

As a member of Columbia Credit Union in Vancouver, WA., I have been appalled at the misuse of the bylaws that were meant to protect members of the credit union. As members, we had no recourse except to go to court in order to enforce our rights granted by the bylaws.

Thank you,

Phyllis I Redman

Vancouver, WA
