## **A change is coming in 2006...**

In 2006 we will begin publishing this newsletter every other month. Each newsletter will have information on classes for two months, as well as informational articles and fact sheets. Expect the January/February 2006 issue to arrive mid-December.

Please remember to check out our website at [www.metrokc.gov/health/childcare](http://www.metrokc.gov/health/childcare) for class information. We will include information on any classes added after the newsletter deadline has passed.

Additionally, if you would like to receive the newsletter by e-mail (instead of regular mail) please send an e-mail with your name, e-mail address, and phone number to [ChildCareHealthProgram@metrokc.gov](mailto:ChildCareHealthProgram@metrokc.gov). Please type "Newsletter" in the subject line. We will move your name to our electronic mail list.

These changes are being made to lower our printing and mailing costs, so that we can continue to provide consultation and training services to meet the needs of the child care community.

Information in this newsletter is available in alternate formats upon request by people with disabilities. Reasonable accommodations at workshops and trainings are available upon request by people with disabilities. For information call (206) 296-2770.
