

U.S. Team Green Building Challenge 2005

GB Tool Assessment

Follow below to correctly launch the linked GB Tool "A" and "B" Microsoft Excel files.

1. Click button GB Tool Assessment above. It will launch Microsoft Excel to open the GB Tool "A" file.
2. Click "OK" to enable macros.
3. Minimize the view of "A" and click to launch Microsoft Excel to open the "B" file.
4. Click "Update"
5. Click "Continue"
