

Join Us!

Wetlands and Global Climate Change

September 16-18, 2008

Field Trips on September 15th & 18th
Workshops on September 19th

Doubletree Hotel & Executive Meeting Center
Portland-Lloyd Center, Portland, Oregon

Organized by:

Association of State Wetland
Managers, Inc.

Hosts:

Pacific Northwest
Chapter of the Society of Wetland Scientists

Oregon Department of State
Lands

Join us at Wetlands 2008 to learn about the regional alterations in weather likely to result from climate change and identify activities and actions to pursue to mitigate these changes, including:

- Understanding the impacts of climate change on water/wetland resources,
- Gaining familiarity with ways to manage wetlands and water resources to mitigate climate change, and
- Making changes in programs to minimize loss and alteration of wetlands and other aquatic resources.

Plus Presentations on other Wetland Topics including mitigation, Clean Water Act jurisdiction, invasive species, wetland restoration, market based incentives, wetland assessment and more!

Field Trips

- Columbia River Estuary Restoration Tour (Full Day)
- Columbia River Gorge National Scenic Area Super Tour (Full Day)
- Tye Winery and Wetlands (Full Day)
- Gotter Prairie on the Tualatin River (Half Day)
- Tualatin River National Wildlife Refuge (Half Day)
- Port of Portland Mitigation Tour (Half Day)
- Bicycle Tour of Portland and Oaks Bottom (Half Day)
- Green City Tour (Half Day)
- Ross Island Kayaking Tour (2 pm)

Workshops

- Delineation Supplement Training (8:00 am-12:00 Noon)
- Jurisdictional Determinations (1:00 pm-4:00 pm)
- What to Plant...What Not to Plant (8:00 am-12:00 Noon)
