

Department of Administrative Services,
Statewide Fleet Administration
Environmental Management System
Mission Statement

We, the employees of the Department of Administrative Services, Statewide Fleet Administration, recognize our responsibility to the environment and future generations.

We pledge to develop and implement policies and programs that will assist Oregon in meeting the goals set forth in the Governor's Executive Order on Sustainability EO 06-02, and any rules and statutes.

We achieve superior environmental performance through our Environmental Management System which includes:

- Commitment to pollution prevention and waste reduction
- Establishment and review of objectives and targets
- Training and awareness
- Continual assessment and improvement

We use our Environmental Management System to ensure that our activities, products and services exceed all applicable rules, regulations and other requirements.
