14. DESCRIPTION OF AMENDMENT/MODIFICATION (Continued)

A. Section F.3 – LEVEL OF EFFORT, hereby deleted in its entirety and replaced with the following:

F.3. LEVEL OF EFFORT

The level of effort for this project (12 months) is between 22 and 24 professional person years. A professional person year is estimated to be between \$90,000 and \$100,000. The level of effort for each option year period is equal to the base year plus inflation. The inflation rate will be determined by the Bureau of Labor Statistics. This includes all costs. These government provided estimates are provided for contractor planning guidance only, and do not bind the government to a specific level of effort nor are they guaranteed or warranted by the government in any manner. The contractor must use its best judgment to determine an appropriate level of effort for the contract work regardless of the accuracy of these estimates. There are 2080 hours in a work year, this includes hours for vacation, sick leave and holidays. Offerors should use their best business judgment when proposing the number of hours for this project.
