

March 25, 2004

Dear Transportation Service Providers (TSPs):

The General Services Administration (GSA) is **amending** the Request for Offers (RFO) and Special Filing Instructions dated March 12, 2004. All previous requirements of the original RFO and SFI, dated March 12, 2004 will remain in effect except as noted in this letter and the Amended Sections of this RFO and SFI.

Please note the following **amended significant items:**

~~1. Section 9, The United States Postal Service (USPS) Non-Alternating Standing Route Order (SRO) USPCN will continue for the next year. However due to the USPS restructuring annual shipment volume the USPS will not renew SRO's. The USPS will continue using GSA's General rates.~~

1. GSA has amended Section 9, The United States Postal Service (USPS) to include alternating rates. Please review the Amended Section 9 for rates being requested for the USPS.

2. GSA has amended Section 13, To remove the wording "Pallet Return" in the title of Section 13.
