

Base map information including bathymetry was compiled by the National Ocean Survey (NOS). Bathymetry compiled from NOS hydrographic survey data (see index) which comply with International Hydrographic Organization (IHO) Special Publication An accuracy standard or those used at the date of the survey. This information is not intended for navigational purposes.

Universal Transverse Mercator Grid, Zone 18, 1000 Meter Ticks (---) are shown inside the mapline.

lack of sufficient data on portions of this map require the use of generalized dashed contours.

Orthographic projection survey data, printed in red, compiled by the Bureau of Land Management. Heavy lines indicate limits of 8th Order Continental Shelf Official Protection Diagram. The protection on this map are not for Federal leasing purposes, for such purposes refer to the OCS Official Protection Diagram available from the Bureau of Land Management.
