

Map and information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry was compiled from 1950 hydrographic survey data (see subject chart covers) and International Hydrographic Organization (IHO) Special Bathymetric Altimetry operations on file with the IHO. All data was processed through NOS. This product is not intended for navigation purposes. For navigation purposes, consult your charted copies.
Universal Transverse Mercator Projection of G.C. Zone 18, 200 meters (656,166) x 2.5 m scale within the region.
