

Note: map information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry was compiled from NOAA bathymetric survey data (see notes) which comply with International Hydrographic Organization (IHO) Standard Publication 54 accuracy standards as that used at the date of the survey. As this map is not reproduced through NOAA's National Update for Hazard and Navigation and Information, this product is not intended for navigational purposes. For navigational advice, reference must be received from the nearest Hydrographic Service. Projection and Date: Date 4/10/2010 (see also) 1: see above for the results.
