BATHYMETRIC MAP

BERING SEA
PERVENETS CANYON

Note map information including bathymetry was compiled by the National Ocean Service (NOS). Bathymetry compiled from NOS hydrographic surveys supplemented by other hydrographic sources (see index). NOS hydrographic surveys data comply with International Hydrographic Organization (IHO) Special Publication 44 accuracy standards as shown used at the date of the survey. This information is not intended for navigational purposes. General Transverse Mercator Grid, Zone 1, 16,000 Meter Ticks (1:2) are shown inside the coastline.

Ordnance projection survey data, printed in red, compiled by the Minerals Management Service. Heavy lines indicate limits of 1600 Outer Continental Shelf Official Projection Diagram. The projections on this map are not for Federal leasing purposes; for such purposes refer to the OCS Official Projection Diagram available from the Minerals Management Service.
