[1]Of the 72,585 cases, 1,939 received an other government sponsored downward departure. Of these, 1,767 had complete guideline application information. Due to an inablility to calculate the extent of departure for cases with a guideline minimum of life, an additional six cases were also excluded from this table. Furthermore, four cases were excluded due to several logical criteria. Of the remaining 1,757 cases, two were excluded due to one or both of the following reasons: missing primary offense category (0) or missing sentence information (2). Note that the information presented in this table does include sentences of probation, but does not include any time of alternative confinement as defined in USSG §5C1.1. Descriptions of variables used in this table are provided in Appendix A.
