[H.R. 2520]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 1994, and for other purposes, namely:

Department of
the Interior and
Related
Agencies
Appropriations
Act, 1994.

TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau of Land Management, \$599,860,000, of which the following amounts shall remain available until expended: \$1,462,000 to be derived from the special receipt account established by section 4 of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-6a(i)), and \$69,418,000 for the Automated Land and Mineral Record System Project: *Provided*, That appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau of Land Management or its contractors; and in addition, \$15,300,000 for Mining Law Administration program operations to remain available through September 30, 1994, to be reduced by amounts collected by the Bureau of Land Management and credited to this appropriation from annual mining claim fees so as to result in a final fiscal year 1994 appropriation estimated at not more than \$599,860,000: *Provided further*, That in addition to funds otherwise available, not to exceed \$5,000,000 from annual mining claim fees shall be credited to this account for the costs of administering the mining claim fee program, and shall remain available until expended.

FIRE PROTECTION

For necessary expenses for fire management, emergency rehabilitation, fire suppression and preparedness, and other

ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out the provisions of title IV of the Surface Mining Control and Reclamation Act of 1977, Public Law 95-87, as amended, including the purchase of not more than 22 passenger motor vehicles for replacement only, \$190,107,000 to be derived from receipts of the Abandoned Mine Reclamation Fund and to remain available until expended: *Provided*, That of the funds herein provided up to \$20,000,000 may be used for the emergency program authorized by section 410 of Public Law 95-87, as amended, of which no more than 25 per centum shall be used for emergency reclamation projects in any one State and funds for Federally-administered emergency reclamation projects under this proviso shall not exceed \$12,000,000: *Provided further*, That pursuant to Public Law 97-365, the Department of the Interior is authorized to utilize up to 20 per centum from the recovery of the delinquent debt owed to the United States Government to pay for contracts to collect these debts.

BUREAU OF INDIAN AFFAIRS

OPERATION OF INDIAN PROGRAMS

For operation of Indian programs by direct expenditure, contracts, cooperative agreements, and grants including expenses necessary to provide education and welfare services for Indians, either directly or in cooperation with States and other organizations, including payment of care, tuition, assistance, and other expenses of Indians in boarding homes, or institutions, or schools; grants and other assistance to needy Indians; maintenance of law and order; management, development, improvement, and protection of resources and appurtenant facilities under the jurisdiction of the Bureau of Indian Affairs, including payment of irrigation assessments and charges; acquisition of water rights; advances for Indian industrial and business enterprises; operation of Indian arts and crafts shops and museums; development of Indian arts and crafts, as authorized by law; for the general administration of the Bureau of Indian Affairs, including such expenses in field offices; maintaining of Indian reservation roads as defined in section 101 of title 23, United States Code; and construction, repair, and improvement of Indian housing, \$1,490,805,000, including \$316,111,000 for school operations costs of Bureau-funded schools and other education programs which shall become available for obligation on July 1, 1994, and shall remain available for obligation until September 30, 1995, and \$49,226,000 for housing and road maintenance programs, to remain available until expended, and of which, payments of funds obligated as grants to schools pursuant to Public Law 100-297 shall be made on July 1 and December 1 in lieu of the payments authorized to be made on October 1 and January 1 of each calendar year, and of which not to exceed \$74,764,000 for higher education scholarships, adult vocational training, and assistance to public schools under the Act of April 16, 1934 (48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall remain available for obligation until September 30, 1995; and the funds made available to tribes and tribal organizations through contracts or grants obligated during fiscal year 1994 as authorized by the Indian Self-Determination Act of 1975 (88 Stat. 2203; 25 U.S.C. 450 et seq.), or grants authorized by the Indian Education Amendments of 1988 (25 U.S.C.

2001 and 2008A) shall remain available until expended by the contractor or grantee; and of which \$1,983,000 for litigation support shall remain available until expended, \$4,934,000 for self-governance tribal compacts shall be made available on completion and submission of such compacts to the Congress, and shall remain available until expended; and of which \$1,179,000 for expenses necessary to carry out the provisions of section 19(a) of Public Law 93-531 (25 U.S.C. 640d-18(a)), shall remain available until expended: *Provided*, That none of the funds appropriated to the Bureau of Indian Affairs shall be expended as matching funds for programs funded under section 103(b)(2) of the Carl D. Perkins Vocational Education Act: *Provided further*, That of the amount appropriated under this head in Public Law 102-381, any unobligated balance as of September 30, 1993 related to the Alaska Native Claims Settlement Act shall remain available until expended and may be obligated under a grant to the Alaska Native Foundation for education, training, and technical assistance to Alaskan village corporations for reconveyance requirements: *Provided further*, That \$199,000 of the funds made available in this Act shall be available for cyclical maintenance of tribally owned fish hatcheries and related facilities: *Provided further*, That not to exceed \$91,223,000 of the funds in this Act shall be available for payments to tribes and tribal organizations for indirect costs associated with contracts or grants or compacts authorized by the Indian Self-Determination Act of 1975, as amended, for fiscal year 1994 and previous years: *Provided further*, That for the purpose of Indian Reservation road construction, all public Indian reservation roads (as defined in 23 U.S.C. 101), identified in the 1990 Bureau of Indian Affairs Juneau Area Transportation Study (and in any subsequent update of such Transportation Study) shall be included as BIA system adjusted miles in the Bureau of Indian Affairs highway trust fund formula for distribution for fiscal year 1994: *Provided further*, That this provision shall expire upon implementation by the Secretary of the Interior of a relative needs based highway trust fund allocation formula pursuant to 23 U.S.C. 202(d): *Provided further*, That none of the funds in this Act shall be used by the Bureau of Indian Affairs to transfer funds under a contract with any third party for the management of tribal or individual Indian trust funds until the funds held in trust for all such tribes or individuals have been audited and reconciled to the earliest possible date, the results of such reconciliation have been certified by an independent party as the most complete reconciliation of such funds possible, and the affected tribe or individual has been provided with an accounting of such funds: *Provided further*, That notwithstanding any other provision of law, the statute of limitations shall not commence to run on any claim, including any claim in litigation pending on the date of this Act, concerning losses to or mismanagement of trust funds, until the affected tribe or individual Indian has been furnished with the accounting of such funds from which the beneficiary can determine whether there has been a loss: *Provided further*, That \$297,000 of the amounts provided for education program management shall be available for a grant to the Close Up Foundation: *Provided further*, That the Task Force on Bureau of Indian Affairs Reorganization shall continue activities under its charter as adopted and amended on April 17, 1991: *Provided further*, That any reorganization proposal shall not be implemented until the Task Force has reviewed it

and recommended its implementation to the Secretary and such proposal has been submitted to and approved by the Committees on Appropriations, except that the Bureau may submit a reorganization proposal related only to management improvements, along with Task Force comments or recommendations to the Committees on Appropriations for review and disposition by the Committees: *Provided further*, That to provide funding uniformity within a Self-Governance Compact, any funds provided in this Act with availability for more than one year may be reprogrammed to one year availability but shall remain available within the Compact until expended: *Provided further*, That notwithstanding any other provision of law, Indian tribal governments may, by appropriate changes in eligibility criteria or by other means, change eligibility for general assistance or change the amount of general assistance payments for individuals within the service area of such tribe who are otherwise deemed eligible for general assistance payments so long as such changes are applied in a consistent manner to individuals similarly situated: *Provided further*, That any savings realized by such changes shall be available for use in meeting other priorities of the tribes: *Provided further*, That any such change must be part of a comprehensive tribal plan for reducing the long-term need for general assistance payments: *Provided further*, That any such tribal plan must incorporate, to the greatest extent feasible, currently existing social service, educational training, and employment assistance resources prior to changing general assistance eligibility or payment standards which would have the effect of increasing the cost of general assistance: *Provided further*, That any net increase in costs to the Federal government which result solely from tribally increased payment levels and which are not part of such a comprehensive tribal plan shall be met exclusively from funds available to the tribe from within its tribal priority allocation: *Provided further*, That any forestry funds allocated to a tribe which remain unobligated as of September 30, 1994, may be transferred during fiscal year 1995 to an Indian forest land assistance account established for the benefit of such tribe within the tribe's trust fund account: *Provided further*, That any such unobligated balances not so transferred shall expire on September 30, 1995: *Provided further*, That notwithstanding any other provision of law, no funds available to the Bureau of Indian Affairs, other than the amounts provided herein for assistance to public schools under the Act of April 16, 1934 (48 Stat. 596), as amended (25 U.S.C. 452 et seq.), shall be available to support the operation of any elementary or secondary school in the State of Alaska in fiscal year 1994: *Provided further*, That the Bureau shall form a Joint Task Force with representatives of Alaska Natives and Alaska schools to examine the needs of the schools and formulate recommendations to address those needs in fiscal year 1994: *Provided further*, That any funds provided under this head or previously provided for tribally-controlled community colleges which are distributed prior to September 30, 1994 which have been or are being invested or administered in compliance with section 331 of the Higher Education Act shall be deemed to be in compliance for current and future purposes with Title III of the Tribally Controlled Community Colleges Assistance Act.

CONSTRUCTION

For construction, major repair, and improvement of irrigation and power systems, buildings, utilities, and other facilities, including architectural and engineering services by contract; acquisition of lands and interests in lands; and preparation of lands for farming, \$166,979,000, to remain available until expended: *Provided*, That \$1,500,000 of the funds made available in this Act shall be available for rehabilitation of tribally owned fish hatcheries and related facilities: *Provided further*, That such amounts as may be available for the construction of the Navajo Indian Irrigation Project and for other water resource development activities related to the Salt River Pima-Maricopa Water Rights Settlement Act, Southern Arizona Water Rights Settlement Act and Fort McDowell Indian Community Water Rights Settlement Act may be transferred to the Bureau of Reclamation: *Provided further*, That not to exceed 6 per centum of contract authority available to the Bureau of Indian Affairs from the Federal Highway Trust Fund may be used to cover the road program management costs of the Bureau of Indian Affairs: *Provided further*, That any funds provided for the Safety of Dams program pursuant to 25 U.S.C. 13 shall be made available on a non-reimbursable basis.
