Table 6.4. Selected Older Men variables by survey year: Respondents ages 45 to 59 in 1966

Table 6.4. Selected Older Wen variables by	Men variables by survey year: Respondents ages 45 to 59 in 1966														
Variable	66	67	68	69	71	73	75	76	78	80	81	83	90	90 widow	90 widow report on spouse
I. LABOR MARKET EXPERIENCE VARIABLES			ù	<u> </u>	-		<u> </u>	1			<u> </u>	1			
A. Current labor force and employment status															
Survey week labor force and employment status	*	*	*	*	*	*	*	*	*	*	*	*	*	*	
Hours worked in survey week	*	*		*	*			*			*		*	*	
Weeks worked (time frames vary)	*	*	*	*	*	*	*	*	*	*	*	*	*		
Usual hours worked during weeks worked	*	*	*	*	*	*	*	*	*	*	*	*	*	*	
Weeks unemployed (time frames vary)	*	*	*	*	*	*	*	*	*	*	*	*	*		
Spells of unemployment in past year	*	*		*	*										
Weeks out of labor force (time frames vary)	*	*	*	*	*	*	*	*	*	*	*	*	*		
B. Characteristics of current or last job	-		·	<del>!</del>		-	•				-				
Occupation, industry, class of worker	*	*	*	*	*	*	*	*	*	*	*	*	*	*	*
Start date and stop date	*	*		*	*	*	*	*	*	*	*	*	*	*	*
Hours per week usually worked		*		*	*			*	*	*	*	*	*	*	*
Hourly rate of pay	*	*		*	*			*	*	*	*	*	*	*	
Commuting time, costs					*			*							
Covered by collective bargaining, union member				*	*			*			*				
Job satisfaction														*	
Years, weeks, or hours widow worked between R's last interview and R's death, since R's death														*	
C. Work experience prior to initial survey	•		<u> </u>	-	_			<u>.                                    </u>		_	<u> </u>	<u>.                                    </u>		-	
Occupation, industry, class of worker, hours per week, start date, stop date, and reason for leaving both first job and longest job since leaving school	*														
D. Work experience since previous survey	<u>.</u>	<u>'</u>	<u></u>	<u> </u>			<u> </u>	<u>-</u>			<u> </u>	·	<u>'</u>		-
Occupation, industry, class of worker, hours per week, start date, stop date, and reason for leaving intervening jobs (details vary)		*	*	*	*			*			*		*		*
Interfirm mobility (details vary)		*	*	*	*	*	*	*	*	*	*	*			
II. HUMAN CAPITAL AND OTHER SOCIOECONOMI	C VA	RIA	BLE	S			<u> </u>	<u>L</u>			<u>L</u>	<u></u>			
A. Early formative influences															
Nationality	*						Π								
Type of residence at age 15	*														
Person(s) R lived with at age 15	*												$  \cdot  $		
Occupation of head of household when R was 15	*														
Highest grade completed by father	*												$\Box$		
If R lived with mother at age 15, did she work for pay					*										
Foreign language spoken in R's home at age 15					*										

Table 6.4. Selected Older Men variables by survey year: Respondents ages 45 to 59 in 1966

Table 0.4. Delected Older Meli variables by			, , ,		_					_					
Variable	66	67	68	69	71	73	75	76	78	80	81	83	90	90 widow	90 widow report on spouse
B. Migration															
Years at current residence	*												*		
Comparison of birthplace to current residence	*														
Geographic mobility (details vary)		*		*	*			*				*	*		*
Part-year residence													*		
C. Education	-	-													-
Highest grade completed	*							*							
High school curriculum	*														
College (year last attended, earned degree, highest degree received)								*							
D. Training outside regular school	-		-	-		-		-				-			=
Has R taken, type	*	*		*	*			*			*				
Sponsor of training		*		*	*			*			*				
Duration	*	*		*	*			*			*				
Hours per week attended		*		*	*			*			*				
Did R complete	*	*		*	*			*			*				
Reason decided to take		*		*	*			*			*				
Does R use training on current job	*	*		*	*			*			*				
E. Health and physical condition															
Self-rating of health	*			*					*	*	*	*	*		
Comparison of R's condition with past		*			*			*	*	*	*	*			
Attitude toward health condition								*	*	*	*	*	*		
Does health limit work	*			*	*	*	*	*	*	*	*	*	*		
Duration of health limitations	*			*	*			*			*		*		
Uses glasses, hearing aid, other special equipment													*		
Problematic activities and working conditions					*			*			*		*		
Types of special health problems in past 12 months													*		
Medical care (eligibility for insurance benefits)											*				
Type and cost of health insurance coverage for R and for his wife													*		
Accidents (on-the-job, how, when)								*							
Are R and his wife able to go outdoors, use public transportation, or do personal care without help					*			*			*		*		
Assistance needed by R and his wife in daily living													*		
Height, weight						*							*		

Table 6.4. Selected Older Men variables by survey year: Respondents ages 45 to 59 in 1966

Table 6.4. Selected Older Wen variables by	,		<i>,</i>					•	<u> </u>	,					
Variable	66	67	68	69	71	73	75	76	78	80	81	83	90	90 widow	90 widow report on spouse
Does wife's health limit her work	*			*	*			*			*	*	*		
Can wife go outdoors without help													*		
Duration of wife's limitations	*			*	*			*			*		*		
Does health of family members limit R's work					*										
Does health of wife limit R's work					*			*			*		*		
R ever smoked cigarettes, age at first and last use, quantity smoked per day													*		*
Frequency and quantity of alcohol consumed by R during last 12 months of life and during adult life													*		*
Use and frequency of use of medical care (hospitalization, nursing home, or doctors' care) during past 12 months (or prior to death)													*		*
R ill before death and, if so, length of illness															*
Widow provided nursing care for R, time required, impact on widow's employment status														*	
Parties responsible for R's medical expenses															*
Total cost of medical expenses in year before death															*
Evaluation of health cost burdens in past year													*		
Main cause of R's death															*
F. Marital and family characteristics	-	-	-	<del>-</del>			2	<u> </u>	-	-	2	-			-
Marital status	*	*		*	*	*	*	*	*	*	*	*	*	*	
Marital history (details vary)								*			*		*	*	
Number of dependents	*	*		*	*	*	*	*	*	*	*	*	*		
Life status of R's and R's wife's parents	*	*		*	*			*			*				
Number and ages of children in household	*	*		*	*	*	*	*	*	*	*	*	*	*	
Last household composition (relationship to R and his widow, age, highest grade attended, weeks worked, hours per week worked, occupation)													*	*	
Family members in household (relationship to R, sex, age, enrollment status, employment status)	*	*		*	*	*	*	*	*	*	*	*	*	*	
Unrelated household members (relationship to R, sex, age, enrollment status, employment status, reason living together)											*	*	*	*	
Frequency of contact with children											*		*		
Wife's work experience (longest job, retirement expectations and plans)											*				
G. Financial characteristics															
Total net family assets	*			*	*			*			*		*	*	
Total family income	*	*	*	*	*	*	*	*	*	*	*	*	*	*	

Table 6.4. Selected Older Men variables by survey year: Respondents ages 45 to 59 in 1966

Table 0.4. Selected Older Meli variables by															
Variable	66	67	68	69	71	73	75	76	78	80	81	83	90	90 widow	90 widow report on spouse
Income from farm or business	*	*		*	*	*	*	*	*	*	*	*	*	*	
Wage or salary income	*	*		*	*	*	*	*	*	*	*	*	*	*	
Unemployment compensation income	*	*		*	*			*			*	*	*	*	
Income from supplemental unemployment benefits								*			*		*	*	
Income from rent, interest, or dividends	*	*		*	*	*	*	*	*	*	*	*	*	*	
Public assistance income	*	*		*	*	*	*	*	*	*	*	*	*	*	
Disability income	*	*		*	*			*			*		*	*	
SSI income								*	*	*	*	*	*	*	
Total market value of Food Stamps received	*	*		*	*			*	*	*	*	*	*	*	
Social Security income, pension income	*	*		*	*	*	*	*	*	*	*	*	*	*	
Insurance income														*	
Amount of financial assistance received from others									*	*	*	*	*	*	
Income from other sources	*	*		*	*	*	*	*	*	*	*	*	*	*	
Sources and amounts of widow's death benefits														*	
Evaluation of overall financial situation													*	*	
H. Military service	-	-		-	=	=	-	-	<u>-</u>	-		-			
Dates of service								*							
I. Attitudes/perspectives	-	<u>.                                    </u>						<u>.                                    </u>	<u>.                                    </u>			L			
How does R feel about job	*	*		*	*			*		*	*	*	*	*	
Evaluation of total work career													*		
What R likes best and least about job	*	*		*	*										
Would R continue to work if had enough money to live on	*									*					
What is more important:, high wages or liking work	*														
Rotter Internal-External Locus of Control score				*	*			*			*				
Attitude toward women working		*			*										
Attitude toward R's marriage													*		
Attitudes toward selected aspects of life								*	*	*	*	*	*		
Pfeiffer cognitive functioning scale													*	*	
CES-Depression Scale													*		
Bradburn Affect Balance Scale											*	*	*		
Discrimination (R ever experienced, type, way in which experienced)					*			*		*					
Has R progressed, held own, or moved backward					*			*							
Have job pressures increased, decreased, or remained the same					*			*

Table 6.4. Selected Older Wen variables by	<u> </u>		<i>,</i>	<i>-</i>		, do	<b>011</b> G	•	<u> </u>	,					
Variable	66	67	68	69	71	73	75	76	78	80	81	83	90	90 widow	90 widow report on spouse
J. Retirement				•	-		•		-	-		•	•		-
Leisure activities									*		*		*		
Expected age of retirement	*	*		*	*	*	*	*	*	*	*	*	*		
R's plans after retirement	*	*		*	*			*	*	*		*			
Compulsory retirement plan	*	*		*	*			*	*	*	*	*			
Timing of retirement (reason retired, did employer encourage, would R continue to work if allowed)								*	*	*	*	*	*		
R ever retired and, if so, year retired													*		*
Attitudes toward retirement					*			*	*	*	*	*	*		
Wife's, friends' attitude toward R's retirement					*										
Characteristics of current employer's pension plan					*			*							
Amount of expected retirement income					*			*			*				
Use of various community services in past year													*		
Type and frequency of contact and geographic proximity of R to children, other relatives, friends													*		
Automobile usage of R and spouse													*		
To whom R would turn for financial or other help													*		
Geographic mobility since retirement											*	*			
Retirement preparation course taken											*				
K. Hypothetical job offer															
Would R accept	*	*		*	*			*	*	*	*	*	*		
Hours per week would work					*			*	*	*	*	*	*		
Rate of pay, kind of work required to accept	*	*		*	*			*	*	*	*	*	*		
L. Volunteer work	*		•	*		•		•			•		•		
Has R done any volunteer work									*				*		
Number of weeks and hours per week performed									*				*		
III. ENVIRONMENTAL VARIABLES				•											
A. Residence															
South or non-South	*	*	*	*	*	*	*	*	*	*	*	*	*	*	
Does R live in metropolitan statistical area	*	*	*	*	*	*	*	*	*	*	*	*			
Mover or nonmover status	*	*	*	*	*	*	*	*	*	*	*	*	*	*	
Comparison of State, county, metropolitan statistical area	*	*	*	*	*	*	*	*	*	*	*	*	*	*	
B. Characteristics	•								-						
Size of local area labor force	*	*	*	*	*	*	*	*	*	*	*	*			
Local area unemployment rate	*	*	*	*	*	*	*	*	*	*	*	*
