UPSHER-SMITH'S REVISED UNOPPOSED MOTION FOR IN CAMERA TREATMENT OF LEGAL DOCUMENTS UNDER SEAL

Upsher-Smith hereby moves for *in camera* treatment of documents identified as SPX 681, SPX 682, SPX 683, SPX 684, SPX 685, SPX 686, SPX 687, SPX 688, SPX 689, SPX 690, SPX 691, SPX 692, SPX 693, SPX 694, SPX 695, SPX 696, SPX 710, SPX 713, SPX 714, and SPX 774. These are confidential documents from the Key Pharmaceuticals/Upsher-Smith patent litigation, all of which are under seal in that litigation. These documents consist of proprietary and competitively sensitive material relating to Upsher-Smith's formulation of its Klor Con M20 product. On March 14, 2002 Your Honor granted Upsher-Smith's motion for *in camera* treatment for other similarly situated documents held under seal from the aforementioned patent litigation. This revised motion supplants Upsher-Smith's original unopposed motion for *in camera* treatment filed on March 19, 2002.

Both Schering-Plough and Complaint Counsel have indicated that they will not oppose this motion. The facts and authorities in support of this unopposed motion are set forth in the accompanying memorandum and declaration.

Dated: March 20, 2002

Respectfully submitted,

Robert D. Paul

UPSHER-SMITH'S MEMORANDUM IN SUPPORT OF ITS REVISED UNOPPOSED MOTION FOR IN CAMERA TREATMENT OF LEGAL DOCUMENTS UNDER SEAL

During the investigatory and discovery phases of this proceeding, Upsher-Smith authorized its counsel to turn over to Complaint Counsel documents prepared during the Key/Upsher-Smith patent litigation. Complaint Counsel designated and used certain of these documents during their cross examination of Dr. William Kerr. At that time, Upsher-Smith moved for and Your Honor granted provisional *in camera* treatment of the documents, pending the filing of a motion for *in camera* treatment. These documents have been designated as trial exhibits SPX 681, SPX 682, SPX 683, SPX 684, SPX 685, SPX 686, SPX 687, SPX 688, SPX 689, SPX 690, SPX 691, SPX 692, SPX 693, SPX 694, SPX 695, SPX 696, SPX 710, SPX 713, SPX 714, and SPX 774. All of these documents are under seal from the patent litigation between Schering and Upsher-Smith. They contain highly sensitive information proprietary to Upsher-Smith, and therefore, Upsher-Smith respectfully requests that this document be given *in camera* treatment.

STANDARD FOR IN CAMERA TREATMENT

Under Commission Rule 3.45(b) in camera protection should be afforded to documents upon a showing that "public disclosure will likely result in a clearly defined, serious injury to person, partnership or corporation requesting their in camera treatment." 16 C.F.R. § 3.45(b); see also In re Dura Lube Corp., 1999 FTC LEXIS 255 (Dec. 23, 1999) (same). An applicant faces serious injury "when the documents in question are secret and material to the applicant's business . . ." In the Matter of Bristol-Meyers, 90 F.T.C. 455, 456 (1977) (articulating 6-factor test for determining secrecy and materiality). Further, "[t]he likely loss of business advantages is a good example of a 'clearly defined, serious injury." Hoechst Marion Russell, Inc., 2000 F.T.C. LEXIS 138, *6 (2000). Pleadings and other documents created during the litigation between fierce competitors and held under protective seal fit squarely in these criteria.

THESE DOCUMENTS WARRANT IN CAMERA TREATMENT

The documents designated as SPX 681, SPX 682, SPX 683, SPX 684, SPX 685, SPX 686, SPX 687, SPX 688, SPX 689, SPX 690, SPX 691, SPX 692, SPX 693, SPX 694, SPX 695, SPX 696, SPX 710, SPX 713, SPX 714, and SPX 774 are under seal pursuant in the Key Pharmaceuticals/Upsher-Smith litigation, and all the documents received confidential treatment when produced to Complaint Counsel. The trade secrets and legal information contained in these documents have been carefully guarded by Upsher-Smith and this information is not publicly available. Robbins Dec. ¶ 3. Disclosure of Upsher-Smith's litigation strategy would give competitors an unfair advantage *vis-a-vis* Upsher-Smith. These documents contain confidential trade secrets, legal advice, analysis and strategy for Upsher-Smith regarding addressing the intellectual property of another company. Robbins Dec. ¶3. Should the

documents be used in open court beyond that which they have been already, it is almost inevitable that Upsher-Smith's competitors will become aware of the contents of the document.

Id.

CONCLUSION

For the reasons set forth herein, Upsher-Smith respectfully requests in camera treatment for documents designated as SPX 681, SPX 682, SPX 683, SPX 684, SPX 685, SPX 686, SPX 687, SPX 688, SPX 689, SPX 690, SPX 691, SPX 692, SPX 693, SPX 694, SPX 695, SPX 696, SPX 710, SPX 713, SPX 714, and SPX 774 for an indefinite period of time.

DECLARATION OF MARK S. ROBBINS IN SUPPORT OF UPSHER-SMITH'S REVISED UNOPPOSED MOTION FOR IN CAMERA TREATMENT OF DOCUMENTS HELD UNDER JUDICIAL SEAL

MARK S. ROBBINS, declares as follows:

- I am the Vice President of Scientific and Legal Affairs and inside counsel to Respondent Upsher-Smith Laboratories, Inc.
- 2. Based on my personal knowledge I submit this declaration in support of Upsher-Smith's application for *in camera* treatment of a highly confidential legal pleadings which Schering-Plough has identified SPX 681, SPX 682, SPX 683, SPX 684, SPX 685, SPX 686, SPX 687, SPX 688, SPX 689, SPX 690, SPX 691, SPX 692, SPX 693, SPX 694, SPX 695, SPX 696, SPX 710, SPX 713, SPX 714 and SPX 774.
- 3. In camera treatment for these documents is imperative. These documents consist of legal pleadings and hearing transcripts from the patent litigation between Key Pharmaceuticals, Inc. and Upsher-Smith Laboratories. All of the documents are non-public, and

contain proprietary and legally sensitive material which has been carefully guarded by Upsher-

Smith. Moreover, these documents reference Upsher-Smith's product formulations, which are

competitively sensitive trade secrets. Disclosure of these already protected documents would

greatly projudice Upsher-Smith, and give competitors an unfair advantage over Upsher-Smith

with the disclosure of this secretive information.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true

and correct.

Executed on March 20, 2002 in Washington, DC.

Mark S. Robbins, Esq.
