**ORDER ON DEPOSITION OF DR. MOWREY**

On September 1, 2005, Complaint Counsel filed its Motion For *In Camera* Review, Sanctions, and Other Relief for Respondent Mowrey's Continued Refusal to Produce All Expert-Related Documents. Complaint Counsel asserts that Dr. Mowrey persists in refusing to turn over certain documents relating to his capacity as a testifying expert witness. Respondents have not yet filed oppositions.

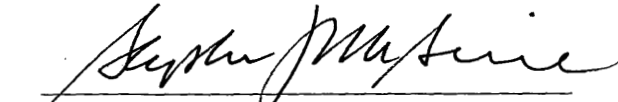

By Order dated August 9, 2005, Respondent Mowrey was ordered to produce all documents that relate to his capacity as an expert witness, including communications with his attorney, the other Respondents, and other Respondents' attorneys. The August 9, 2005 Order also allowed for further questioning of Dr. Mowrey and ordered such deposition be completed by September 9, 2005.

According to Complaint Counsel's motion, Complaint Counsel have noticed Dr. Mowrey for a deposition on September 8, 2005, based on a few documents recently produced. Complaint Counsel seeks an expedited response, an extension of the date by which Complaint Counsel may depose Dr. Mowrey beyond September 9, 2005, and other relief.

Complaint Counsel's request for an expedited response is **DENIED**. Complaint Counsel's request for an extension of time for completing the deposition of Dr. Mowrey is **GRANTED**. Complaint Counsel's request for other relief will be resolved after Respondents' responses are filed.

In a subsequent order resolving the merits of Complaint Counsel's September 1, 2005 motion, Complaint Counsel shall be given additional time for completing the deposition of Dr. Mowrey, if necessary. Other issues raised by Complaint Counsel's motion, including sanctions, will be addressed after receiving Respondents' responses.
