

Small Entity Compliance Guide

The National Marine Fisheries Service (NMFS) published final regulations that

CLOSE

**The Chiniak Gully Research Area
To All Commercial Trawl Fishing
Including Testing Trawl Gear**

AUGUST 1

To No Later Than

SEPTEMBER 20

Each Summer

2006-2010

NMFS will notify the public if the closure is rescinded prior to Sept. 20 during any year.

The Chiniak Gully Research Area is defined as the waters bounded by straight lines connecting the coordinates in the order listed:

57° 48.60 N lat., 152° 22.20 W long.;
57° 48.60 N lat., 151° 51.00 W long.;
57° 13.20 N lat., 150° 38.40 W long.;
56° 58.80 N lat., 151° 16.20 W long.;
57° 37.20 N lat., 152° 09.60 W long.;
and hence counterclockwise along the shoreline of Kodiak Island to
57° 48.60 N lat., 152° 22.20 W long.

For further information, or to read the regulations (50 CFR § 679.22(b)(6)), please contact NMFS Alaska Region at (907) 586-7228, or visit the NMFS Alaska Region website at <http://www.fakr.noaa.gov>.
