Docket No. 9305

**JOINT MOTION FOR MODIFICATION OF SCHEDULING ORDER RELATING TO
CLOSE OF EXPERT DISCOVERY AND OPPOSITIONS TO MOTIONS IN LIMINE**

Complaint Counsel and Respondent Union Oil Company of California stipulate to and jointly request that Your Honor allow the parties to modify the Scheduling Order in two respects. First, they jointly request that the date for the close of expert discovery be extended from October 17, 2003 – as originally ordered – through October 25, 2003. The request is due to the difficulty in scheduling depositions around the country with expert witnesses who have numerous commitments to clients, courts and/or class schedules. The parties have mutually agreed upon a schedule under which all depositions would be completed by the end of the day on October 25, 2003.

Second, the parties jointly request that the date for the oppositions to motions in limine be extended by one week, to October 24, 2003, in light of the very demanding travel schedules required to complete the expert depositions.

The parties agree that the proposed Order for these modifications will not affect any other deadlines set forth in the current Scheduling Order.

Respectfully submitted,
