Re: *Union Oil Company of California*
FTC Docket No. 9305
Your File No. 028012-0008

Dear Mr. Beehler:

Staff of the Air Resources Board (ARB) identified yesterday two additional diskettes at our offices that are covered by your subpoena in the above proceeding. I enclose photocopies of the labels on the two diskettes. One diskette is labeled:

Unocal Corp 7-25-91
P J Jessup (714) 577 2536
FTP Emissions data (ASCII)
for 10 cars / SwRI
fuel properties in a
SAS data set

The other diskette is labeled:

1st QUARTER, 1991 UNOCAL DATA
VOLUNTARY GASOLINE PROPERTIES
REPORTING PROGRAM
LAR PREM.WK1
LAR REG.WK1
SFR REG.WK1
SFR PREM.WK1

In the Matter of Union Oil
Company of California
Docket No. 9305

RX 327

I enclose a copy we have made today of the first diskette listed above. It contains all 14 files that are on the original diskette, although we have not been able to open two of those files. I am unable at this time to provide you with a copy of the files on the second listed diskette because we are unable to open the diskette at all. You of course may

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.

make arrangements to inspect the second diskette and make additional efforts to open it. Since they were only identified yesterday, no copies of the diskettes have previously been provided to your firm.

It appears to ARB staff that the diskette we were able to copy, and a copy of which is enclosed, is the original diskette containing the data base referred to in Dennis Lamb's August 27, 1991 letter attached to Exhibit A of the subpoena. It is therefore covered by specification 4. The other diskette is covered by specification 5. ARB staff was not aware that these diskettes were at our offices before yesterday. The enclosures being provided to you are also being provided to FTC counsel.

Sincerely,

OFFICE OF LEGAL AFFAIRS
