The period to appeal has expired and no appeal was filed. Therefore, there is now a final and conclusive court decision with respect to the final determination of sales at less than fair value, and we are amending

our final determination of the antidumping duty investigation for KTN based on our recalculation of KTN's rates pursuant to the remand. The amended final determination margin for KTN is 13.48 percent. As a result of these changes, the "All Others" rate also changes to 13.48 percent. We will instruct the U.S. Customs to change the

relevant cash deposit instructions, effective December 28, 2001.¹

Amendment to Final Determination

Pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), we are now amending the final determination of the sales at less than fair value investigation. The amended weighted-average margins are:

Exporter/ Manufacturer	Weighted-Average Margin (percent)
Krupp Thyssen Nirosta GmbH	13.48
All Others	13.48

We will instruct U.S. Customs to change the existing "All Others" cash deposit requirements accordingly, effective December 28, 2001. We note that KTN's current cash deposit rate is based upon an administrative review conducted subsequent to this segment of the proceeding. Therefore, this amended final determination does not affect the cash deposit rate for KTN.
