DESCRIPTION OF DUTIES: Incumbent provides direct patient care services in an ambulatory care setting at the Santa Rosa Health Center in Santa Rosa Village, AZ, performing a variety of nursing tasks which require specialized and non-standard procedural knowledge. Applies both technical skill and knowledge specific to the diagnosis and treatment of a wide range of injuries and illnesses. Incumbent works under the supervision of the Registered Nurse (RN) to deliver safe and effective care. Determines nature and extent of health care required which includes: interpreting signs and symptoms specific to conditions reported by patients, observing irregularities in patient's appearance and behavior, and reviewing status of medical history. Assists the RN with the triage and screening of patients by obtaining vital signs, including orthostatic blood pressures and pulses, and weights. Observes patient for signs and symptoms of illness or injury, documenting subjective and objective assessment on outpatient record. Prepares and administers medications following physician order and dosage standards. Administers medications orally, intramuscularly, and subcutaneously according to the five rights of medication administration. Upon completion of training performs IV cannulation for

purpose of specimen collection and intravenous fluids and medical administration according to hospital policy. Collaborates with the multidisciplinary healthcare team by interpreting the plan of care and interventions and participates in case management activities by reviewing and planning for patient visits. Utilizes the RPMS system to make appropriate follow-up appointments; enters information into RPMS patient care packages. Performs other duties as assigned.

QUALIFICATION REQUIREMENTS: Candidates must have had experience as described below. Your description of work experience, level of responsibility, and accomplishments will be used to determine that you meet these requirements. NOTE: Applicants will be required to sign Optional Form 306, Declaration for Federal Employment, certifying to the accuracy and truthfulness of the information provided in their application.

BASIC REQUIREMENTS:

Licensure: Candidates must be currently licensed to practice as practical or vocational nurses in a State or territory of the United States or the District of Columbia or must have applied for a license to practice. **Applications of candidates possessing a license must be accompanied by a certified or photostatic copy of the license.** Non-licensed candidates who have completed their training may be appointed subject to obtaining the required license during the probationary period. Those not licensed must furnish the date on which they applied for a license and the jurisdiction involved. No person appointed pending licensure may be retained beyond the probationary period if licensure has not been attained.

Experience:

Applicants must possess 52 weeks of nursing experience equivalent to the GS-5 grade level. Qualifying experience includes nursing care work in a hospital, outpatient clinic, nursing home, or other supervised medical, nursing, or patient care facility that provided a practical knowledge of human body structure and sterile techniques and procedures, performing such duties as:

- Providing pre- and post-operative patient care.
- Observing, recording, and reporting changes in behavior of mentally ill patients.
- Providing reassurance and encouragement to mentally ill patients.
- Assisting surgeons and registered nurses in operating room activities, including passing instruments, maintaining sterile conditions, and draping and positioning patients.
- Setting up and operating special medical equipment and apparatus.

QUALITY OF EXPERIENCE: Experience must have been at a level of difficulty comparable to the next lower grade in the Federal service. It is an applicant's responsibility to provide documentation or proof that he/she has met the qualification requirements of the position. Reference inquiries, including contacts with candidate's instructors, supervisors, or employers may be made to obtain further information about the candidate's professional qualification for the position.

LEGAL AND REGULATORY REQUIREMENTS: Candidates must meet time after competitive appointment, time-in-grade, and qualification requirements by the closing date of the announcement. If selected under the Excepted Service Examining Plan (ESEP) or the Delegated Examining Unit (DEU) procedures, time-in-grade requirements do not apply.

KNOWLEDGE SKILLS, AND ABILITIES (KSAs) REQUIRED: Applicants who meet the basic qualification requirements described in this announcement will be further evaluated by determining the extent to which their work or related experience, education, training, awards, outside activities, and performance appraisal, etc., indicate they possess the knowledge, skills, and abilities described below. All applicants should provide clear, concise examples that show level of accomplishment or degree to which they possess the KSAs on a separate attachment. The information provided will be used to determine the "best qualified" candidates.

1. Knowledge of practical nursing procedures in order to assist in the diagnosis and treatment of a variety of injuries and illnesses.
2. Knowledge of pharmaceuticals, dosages, and routes of administration in order to recognize the desired effects and complications.
3. Skill in using equipment, materials, medications, and supplies in diagnostic and treatment procedures.

Item 15a. Agency Specific Questions

Name: _____ Social Security Number: _____
(Please print)
Job Title in Announcement: Practical Nurse, GS-0620-06 Announcement Number: SWR-08-0438

Section 231 of the Crime Control Act 1990, Public Law 101-647, requires that employment applications for Federal child care positions contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge.

Section 408 of the Miscellaneous Indian Legislation, Public Law 101-630, contains a related requirement for positions in the Department of Health and Human Services that involve regular contact with or control over Indian children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere or guilty to certain crimes.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment:

1) Have you ever been arrested for or charged with a crime involving a child? YES _____ NO _____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.]

2) Have you ever been found guilty of, or entered a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; or crimes against persons; or offenses committed against children? YES _____ NO _____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fines of up to \$2,000 or 5 years imprisonment, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.
