

# U.S. Department of Energy Supplemental Yucca Mountain Repository Environmental Impact Statement

## SCOPING COMMENT SHEET

Name: Robbin Palmer

060053

COMMENTS:

No Action Alternative!  
Nevada is not a wasteland.

Today's Reno Gazette-Journal article on Yucca  
talks about the safety of transporting wastes,  
via either route to Yucca, yet talks about  
training emergency response personnel. This seems  
like an oxymoron.

Please feel free to attach additional pages (if mailing, more postage may be needed).

Please note: Your comment(s) must be received by the Department of Energy by November 27, 2006, to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted lines so the address and postage-paid notice are visible, then secure with tape.
