

# U.S. Department of Energy Supplemental Yucca Mountain Repository Environmental Impact Statement

## SCOPING COMMENT SHEET

Name: Michael Kelly

065006

COMMENTS:

Please consider the experience of  
the DOE Transportation Safeguards office  
with respect to rail movement of nuclear  
weapons related components. Their experience  
can help inform the Yucca Mountain rail permitting  
process.

Please feel free to attach additional pages (if mailing, more postage may be needed).

     If you want to receive information about the Supplemental Yucca Mountain Repository Environmental Impact Statement by mail, please check here and provide the following information.

Neighbor \_\_\_\_\_      News coverage \_\_\_\_\_

Please note: Your comment(s) must be received by the Department of Energy by November 27, 2006 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.
