Comment Text :

-->Clark County Nevada has turned into a "Terrorist Police State".

With so many police terrorist running around with guns, what safe guards will be put in place to stop them from accessing Yacca Mountian facility. Just because they have a badge or uniform doesn't make them the good guys.

We have learned not to trust the police in Clark County Nevada.

As a Prior Service Vet we need to stop them before they cause a a real problem.

Thank you.
