5 VIRGINIA RIDGWAY: Virginia Ridgway,  
6 R-I-D-G-W-A-Y, no E, former commissioner of Esmeralda  
7 County, tourism director for Nye County's new  
8 project, Nevada Silver Trails on 95, where your road  
9 goes.

10 And I was asked which area around  
11 Goldfield I preferred. I prefer either one, as long  
12 as we have shared use of the railroad, and put shared  
13 in capital letters. We need the railroad through  
14 here, and that would be an immense benefit.

15 I also would like when you're building  
16 this, to locate in Esmeralda with your man counts and  
17 such, and try to hire as many competent Esmeralda  
18 County relatives and Tonopah residents that we can  
19 get. So we need some boost in the economy. We're  
20 dead right now.

21 Incidentally, two nuclear carrying  
22 vehicles went through town today, for your  
23 information.
