Willamette Valley Genealogical Society’s DNA Project

WVGS has started a DNA Project for both men and women. To join under WVGS...

1. Go to the State Library URL at: <http://oregon.gov/OSL/GRES/genealogy.shtml>
2. Click on Genealogy Research on the left.
3. Click on WVGS DNA Project
4. Click on the Family Tree DNA icon in the middle of the page.
5. Scroll to the bottom of the next page and complete the form
6. Click CONTINUE to complete the next screen
7. Be sure to click only once when you are done so you order just one test.

You will receive a confirmation in your email box that your order was taken. Remember: Only men can order the Y-DNA test, but both men and women can order the mtDNA. It is cheaper to order the Y-DNA 37 marker test as it will tell you that you have a common ancestor within genealogical time for persons you match. Lesser tests (12 markers) provide information on older ancestors prior to 600 years ago. However, you may wish to start small and upgrade. For the mtDNA order both the HVR1 and HVR2 panels (mtDNA plus) as this will give you the best information on your ethnic origins. Again, you can start small and upgrade, if needed.

Questions?...

More information on Genetic Genealogy can be found at the following website by linking to its various pages (Click LEARN on the right side of the page):

www.familytreedna.com If any of you have questions regarding DNA and which tests to order, please email Emily Aulicino at: aulicino@hevanet.com

The DNA Project is open to anyone, not just WVGS members. You are not charged until you send in your test kit. You can do the DNA testing through WVGS and submit it to other groups.

Emily’s DNA Presentations:

- Jan 31, 2008 - DAR Portland Chpt Evening Edition 6-8 pm. 1505 SE Gideon, Portland, OR. OPEN TO THE PUBLIC. FREE
- Feb 11, 2008 - GFO DNA Interest Group 1-3 pm. 1505 SE Gideon, Portland, OR - FREE. Topic: Basics of Genetic Genealogy; \$30 Gift Certificate toward a DNA test Raffle

WVGS Volunteers

Our agreement with the Oregon State Library relies on volunteers to allow WVGS to use the building. Each month this year there will be an article featuring one of the volunteers. If you would like to volunteer, contact **Susie Niggli**, the Volunteer Coordinator.

George Cropsey

George Cropsey is the Genealogy Volunteer on Monday afternoon. He is also the WVGS President this year. George has been a volunteer for about 6 years, starting after he retired, and has been a member of WVGS since 1996. He was “very loosely” interested in genealogy before, but mostly just curious about his heritage. He now knows he is probably English, some Scotch, Danish and German. He has made trips to New York and to Germany and Denmark to do genealogical research. He doesn’t do much Oregon research as his family came to Oregon late, in 1946.

George says he was always interested in history and as the saying goes “you might be a historian and not a genealogist, but you can’t be a genealogist and not a historian”. You need to know the big picture which history reveals in why people moved and did the things they did, our family genealogy is the small picture.

For patrons who come in and are just starting their research, George starts them with the pedigree charts that we have available. Everyone has unique family questions and we help with historical questions as well as genealogical. You can find a hint sometimes in one state that leads to another.

One item that helped George was a Pension Application from an ancestor who served in the War of 1812. It is a forgotten war and pensions were not available until the 1850s when many of the men who served were already deceased. He found a complete history of where the family had lived, giving valuable information. And small interesting facts like the soldiers only served 3 weeks because they voted that they didn’t sign up to invade Canada, only to fight the British, so disbanded and went home! Pension lists are available at the library and on ancestry.com but the complete file is in the National Archives.

WVGS LIBRARY REPORT

**WVGS LIBRARY REPORT FOR
FEBRUARY NEWSLETTER**

By Jim Willhite

MEMORIALS

The past few months has seen the passing of several members and former members of WVGS. **P. Wayne Rose** in died in November, husband of member Ann Rose. At one time both Wayne and Ann were active in looking after WVGS interests with the State Library Board. Also in November we lost a familiar face in the reference room with the passing of **Robert E. Marsh**. In the past Robert donated some of his personal book collection to WVGS/OSL and did much cemetery research which WVGS benefited from.

WVGS regrets the passing of both of these former members and offers our condolences to their families. As done traditionally, WVGS will donate books to OSL in their memory. A special collection will be taken at the February meeting or you can make a donation in their names to either Joan Kaiser, Susan Niggli, or Jim Willhite.

GENEALOGY PERIODICALS

WVGS each month is bringing a few issues of OSL's **Genealogical and Historical Periodicals from the stacks for your review**. OSL has a complete list by State. If you find something of interest, check to see if the Library has additional issues. We started with the "A's". The following will be on the shelves just inside the door in the Microfilm Room until after the **February** meeting:

New Opportunity for Volunteering

The State Library has purchased the software for digitizing the **Oregon Index** in the Alcove. This is going to be a great addition to our electronic searching.

We are looking for volunteers to work along with staff on this project to input the Index. If you are interested please let me know. We are still working out the details but we should have a formal plan by mid January.

The work would include:

One to two hours a week - We can build schedules and work around your current reference Room schedule, Data Entry of the Oregon Index. We are not looking for speed - accuracy is our goal This could be tedious work to some, but very interesting work.

We have a work station set up in the alcove area on Tier 4. We will provide training and support. Alice will be scheduling training for late January or early February. **If you are interested please contact LeAnn Bromeland, 503 378-5014 or LeAnn.Bromeland.or.us.state. Or just drop by her office.**

World Vital Records

Jim Willhite has upgraded the World Vital Records account that is on the OSL computer at the Reference Desk to include the enlarged collection.

The **World Collection has more than a billion names** that are being indexed and made available online as quickly as possible. We have licensed this diverse collection of extremely valuable content from over 20 content providers from all around the world. We are in negotiations to add even more high quality and valuable data. The value of both our US and World collections will continue to increase every day as we add more databases. Some of the *Key Data in the WorldVitalRecords.com World collection: United Kingdom Censuses and Birth, Marriage, and Death Records* - Includes searchable censuses from 1841, 1861, 1871, and 1891, war deaths, parish registers and civil registrations. The UK census for 1851, 1881, and 1901 will also be available soon as part of the World Collection.
