INFORMATIONAL MEMORANDUM: R&D-06-004.1

TO: All Reinsured Companies
All Risk Management Agency Field Offices
All Other Interested Parties

FROM: Tim B. Witt /s/Rodger Matthews, Sr., for
Deputy Administrator

SUBJECT: Revised Addendum to 2006 Crop Year (CY) Actuarial Document (Special Provisions) – **(Crop Revenue Coverage (CRC))** Corn, Cotton, Grain Sorghum, and Rice Base Prices and Low & High Price Factors, **(Group Risk Income Protection (GRIP))** Corn, Cotton, and Grain Sorghum Expected Prices and Volatility Factors, and **(Income Protection (IP))** Grain Sorghum Projected Price

BACKGROUND

The Group Risk Income Protection (GRIP) section of R&D-06-004, dated January 23, 2006, contained a misleading reference indicating the GRIP cotton expected price and volatility factor applied to counties with a cancellation date prior to March 15 in addition to counties with a January 31 cancellation date.

ACTION

Consistent with the Group Risk Income Protection Cotton Crop Provisions (06-GRIP-COTTON), the expected price and volatility factor contained in R&D-06-004 applies *only* to GRIP cotton in counties with a January 31 cancellation date.

There is no impact to Actuarial documents, the Actuarial Data Master, or the Price Addendum.

DISPOSAL DATE

This informational Memorandum is for the purpose of transmitting information and the expiration date is December 31, 2006.
