Facility Information

Please provide information for all facilities included in your project.

No. of buildings:

Size of facility (sq ft. heated space):

Type of facility:

Check all that apply

School Year of Construction:

Local Government Administration Year of Construction:

Local Government Maintenance Year of Construction:

Prison Year of Construction:

Other (please describe, including year of construction):

Please list any planned renovations:

Heating System Information

Central heating plant
 Multiple plants How many?
 Individual, room-by-room heating

Heating Distribution System

Hot water – capacity (btu/kw):
 Steam – capacity (btu/kw):
 Ducted air – capacity (btu/kw):
 Electric heat – capacity (btu/kw):

Heat Generation System

How water boiler – size:	% of space heated:	age:
Warm air furnace – size:	% of space heated:	age:
Gas duct / roof top heater – size:	% of space heated:	age:
Steam boiler – size:	% of space heated:	age:
Electric boiler – size:	% of space heated:	age:
Electric duct coils – size:	% of space heated:	age:
Electric furnace – size:	% of space heated:	age:
Heat pumps – size:	% of space heated:	age:
Electric baseboard – size:	% of space heated:	age:

What fuels are used and at what \$/unit?

Check all that apply:

Natural gas - \$/unit
 Propane - \$/unit
 Other: - \$/unit

Describe fuel storage infrastructure (number, capacity, location of tanks):

Describe location of heater(s), including areas/used served:

Estimated annual usage and costs:

Can wood chips or pellets be delivered to the site: Yes No

Is there currently a storage bin on site? Yes - capacity: No

If not, how much space is available for storage?

Domestic Hot Water

Uses of domestic hot water (check all applicable):

Lavatories

Kitchen

Gym showers - heavily used? Yes No

Other - type:

Type of domestic hot water system (check all applicable):

Single tank-type heater

Multiple tank-type heaters

Off heating boiler with separate storage tank

Hot water generator with separate storage tank

Other - type:

Please provide a short narrative about this project (include scope of work, timeframe, supply of biomass and motivations):

Please list the names of community members, project champions and consultants engaged in this project:

How can GEO best support the development and implementation of this project:
